RITCHIE HAS AN OLD SCORE TO WIPE OUT

His Defeat by Welsh Years Ago Still Rankles in Mind of World's Champion Scrapper.

WELSH ALREADY TRAINING FOR VANCOUVER EVENT

Shows Conclusively That He Can Make American Weight of 133 Pounds Without Difficulty.

[UNITED PRESS LEASED WIRE.]
 Vancouver, B. C., Aug. 15.—With the arrival of Harry Foley, manager and trainer of Willie Ritchie, world's champion, in Vancouver, the 20-round bout between Ritchie and Freddy Welsh, champion of the British Empire, for Labor Day afternoon in this city, became an assured fact. Ritchie will arrive in Vancouver on Monday morning, accompanied by his sparring partners and camp followers, and in the meantime Foley will select training quarters for the champion.

"Ritchie is now in the mountains on a hunting trip," said Foley on his arrival here. "He is in splendid condition, and will easily make the weight specified in the agreements already made. His one great reason for taking the match with Welsh was to wipe out the defeat Welsh scored against him in Los Angeles before Ritchie won the world's championship title. Again Ritchie, who is absolutely fair-minded, regarded Welsh, champion of the British Empire, as his logical opponent. The claims of Harlem Tommy Murphy to the Labor Day match will not hold water. Murphy has been knocked out too many times to look for a match with the champion on the strength of his recent victory over Wolgast. Wolgast has no actual claim to a return match. He always refused to give Battling Nelson a return, and Nelson put up a far better battle against Wolgast than did Wolgast against Ritchie."

Welsh Training.
 Welsh has already started his training for the big match. The British champion showed conclusively that he can make even the American lightweight of 133 pounds, stepping on the scales early this week at 130 1/4 pounds. Welsh then started in to build up and now weighs about 138, so that he has plenty of flesh on which to train for the greatest effort of his brilliant career.

The question of referee is still being discussed, although there are so many men satisfactory to both principals that no ultimate trouble is expected in the selecting. Welsh is favorable to almost any recognized referee, while Ritchie, while preferring a Californian, will not let his choice stand in the way of getting into the ring with Welsh. A final conference will be held after the arrival of Ritchie and the third man in the ring for the bout selected.

PARCELS POST CHANGES EFFECTIVE TODAY

Postmaster-General Burleson's much-discussed changes in the parcels post regulations became effective today. Hereafter the limit of weight of parcels for delivery in the first and second zones will be 20 pounds, instead of 11, as has been the case since the inauguration of the system. Moreover, from now on, the postage rate on parcels exceeding four ounces is to be five cents for the first pound and one cent for each additional pound or fraction. One other change which cannot be made use of until cooler weather is that fresh meats and other perishable articles, when inclosed and wrapped as prescribed, may be mailed to offices in both first and second zones. Heretofore they were mailable only in one zone. If the changes result in the profits expected, Postmaster Burleson intends to reduce rates and increase the weight limit next year.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give one hundred dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. P. J. CHENEY & CO., Toledo, O. Sold by druggists, 75c. Take Hall's Family Pills for constipation.
