Adenoids Are a Menace to Children. Bables and young children must be

arefully watched for the growth of adenoids, which spoil the mental and physical life of a child. They usually result from a succession of colds and throat irritations and their presence is so productive of harm, that many school boards have an examining physician to detect them. The conditions that cause them may be easily avoided by careful parents. Quickly and thoroughly cure The Meritol Preparations are made all colds and throat irritations by the use of Foley's Honey and Tar Compound, and adenoids will not develop. Dr. Stone Drug Store.
