

SATURDAY'S SALES WERE 20 PER CENT GREATER THAN THE LARGEST DAY'S SALES THIS STORE HAS EVER HAD

We were ready for a big day, but such a day as this we never dreamed of. We make this public for one reason, we simply could not wait on all our customers, not anywhere near all of them, and we fear we may have made enemies, as it was simply impossible for the salespeople to know who was in first. Our rule is "that the customer that comes first must be first served," but Saturday it seemed impossible to know who came first, and if you were neglected, as we fear many were, we want you to know that it was not intentional in a single case, and we are going to ask you to kindly overlook any seeming negligence this time. Our salespeople always intend to give you courteous treatment and we want you to feel that this is your HOME STORE. We have assembled a very large and choice stock for you to select from. We invite your inspection. THE BEST VALUES ARE ALWAYS HERE.

LAST SATURDAY

Was the second best day in our history. Our sales for Saturday, Sept. 20, 1913, exceeded our sales for any other day in the history of our business with but one exception, which was Saturday, April 23, 1910, during our great discount sale.

It's because there's no juggling with prices in our store and we sell reliable merchandise at prices that "credit stores" can't match.
