The general comment made on our display of women's fall and winter stock is that in every way it eclipses any showing ever made in the ready-to-wear section. The variety is so great and the range of prices so comprehensive that we can satisfy any taste or any purse, and, besides, in women's coats and women's suits we are offering some special values that cannot be duplicated elsewhere at our very low prices. Keep in close touch with our window displays, they constantly depict the very latest ideas in stylish
