Nervous Prostration Long Endured
Before Remedy was Found.
Miss Minerva Reminger, Upper Bern,
Pa., writes: "For several years I had
nervous prostration, and was utterly
wretched. I lived on bread and beef
tea because my stomach would not retain anything else. I took many remedies, but obtained no relief until I
took Hood's Sarsaparilla, when I began
to gain at once. Am now cured."

Pure, rich blood makes good, strong
nerves, and this is why Hood's Sarsaparilla, which purities and enriches the
blood, cures so many nervous diseases.
Get it today in usual liquid form or
chocolated tablets called Sarsatabs.
