Authorities Admit They Are Trying to Give Accused Running Start.

DISTRICT ATTORNEY UNWILLING TO TALK

But It Would Be Inhuman to Tell Where.

[UNITED PRESS LEAGED WIRE.]

Los Angeles, Cal., Nov. 4.-Disrict Attorney John D. Fredericks virtually admitted today that Ortic E. McManigal, self-confessed dynamiter, has been liberated for good and is now fleeing to some hiding place, where he will be safe from the enemies he believes are following him.

McManigal left the county jail late yesterday with Detective Malcolm Mo-Later McLaren reappeared alone. The authorities were all very re ticent, and would not give out any thing definite regarding McManigal, as they say they want to "five him a running start."

Say Gangsters of Tammany Are Swarm ing Second District of New York and Intimidating Voters.

[UNITED PRESS LEASING WIRE.] New York, Nov. 4.-Voting was ear ly and heavy here today. By noon 50 per cent of the registration had polled.

There were many arrests for illegal voting. A large proportion of those arrested were discharged, however. A considerable number were presumed by watchers at the polls to be attempting frauds as a result of mistakes by the officials checking the registration lists. It was charged, too, that some of the arrests were made in an effort to pre vent the victims from voting by locking them up. The plan was checkmated, if it was really attempted, by the arraignment of the prisoners as fast as they were brought in.

Fusionists complained that the second assembly district was swarming with Tammany gunmen. There were, + in fact, several free fights, and John An inquest has been called for .
