

### AN OLD RECIPE TO DARKEN HAIR

Common Garden Sage and Sulphur Makes Straggled, Faded or Gray Hair Dark and Glossy at Once.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and luster to the hair when faded, streaked or gray; also ends dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Hair Remedy." You will get a large bottle for about 50 cents. Everybody uses this old, famous recipe, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application of two, your hair becomes beautifully dark, thick and glossy and you look years younger. Most of us would feel pretty well if it wasn't for our imaginary ailments.

### CHANGES SEX OF ANIMALS, IT IS ASSERTED

[UNITED PRESS LEASED WIRE.] Vienna, Nov. 13.—That he has succeeded in changing the sex of animals through transplanting certain glands from the male to the female and vice versa, was the somewhat startling announcement made today in a public address by Professor Steinach. In other words, Professor Steinach says he showed animals in which he declared he has changed the sex. He declared that placing the male glands into female animals, changed the entire nature of the latter and vice versa. He believes that similar operations are possible on human beings.

### "CASCARETS" ALWAYS STRAIGHTEN YOU UP

If Costive, Headachy, Bilious, Stomach Sour, Breath Bad—Clean Your Liver and Bowels.

Get a 10-cent bottle now. You men and women who can't get feeling right—who have headache, coated tongue, foul taste and foul breath, dizziness, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have backache and feel worn out.

Are you keeping your bowels clean with Cascarets, or merely forcing a passageway every few days with salts, cathartic pills or castor oil? Cascarets work while you sleep; cleanse the stomach, remove the sour, undigested, fermenting food and foul gases; take the excess bile from the liver and carry out of the system all the constipated waste matter and poison of the bowels. A Cascaret tonight will straighten you out by morning—a 10-cent box from any drug store will keep your stomach sweet; liver and bowels regular, and head clear for months. Don't forget the children. They love Cascarets because they taste good—never gripe or sicken.

### SUBSTITUTE FOR SALOON

One reason why pessimists, kickers and some of the so-called reformers accomplish so little in their efforts to overcome certain evils that exist in every community is that they have nothing to offer as a substitute for the evil complained of. They do not realize that for every wrong there is a right and for every disease there is a remedy, but the remedy can not be applied until there is a proper diagnosis of the case.

At the November election a number of cities and towns in the state voted saloons out of existence, but only one so far has made any effort to offer something better as a substitute for the saloon evil, which a certain percentage of the population seem to regard as a necessity. Eugene was the first town in the state to solve that problem by establishing a coffee club for the men. Now Salem having voted "dry" after January 1st, desires to offer a substitute for the saloon as the poor man's club.

The coffee club has been a success in Eugene. It has done a work that no other institution can do, unless it is along similar lines. Thousands of men have been provided with a place to spend their leisure hours in a quiet orderly manner and hundreds have been provided with employment. The coffee club reading room furnishes a place of recreation where men from all walks of life can gather and discuss the question uppermost in their minds. They have plenty of literature, and can at any time secure food at a moderate price. It offers a moral atmosphere that no saloon ever offered. It has an uplifting influence that no grog shop can boast of. The people of Eugene are proud of the coffee club and of the work that is being done. It is not as perfect at its promoters desire it to be, but that will come in time.

We can heartily recommend to Salem the adoption of the coffee club as a substitute for the saloon. It will mean the saving of hundreds of men and boys and will prove to the world that there is something better than the legalized saloon for the workingman or boy—Eugene Guard.

### NEGRO TELLS HOW HE SLEW WOMAN PRACTITIONER

[UNITED PRESS LEASED WIRE.] Los Angeles, Cal., Nov. 13.—With a wealth of bloody detail, Barr Harris, negro, told on the witness stand yesterday how he murdered Mrs. Rebecca P. Gay, Christian Science practitioner, by beating her to death with a section of gaspipe a few weeks ago.

Scores of women in the court room listened eagerly to the negro's story. "When I went to Mrs. Gay's office," Harris testified, "After the first blow she looked up and tried to say something. Then I struck her again and again. When the blood ran from her face it made a peculiar sound. "I tried to push the chair with the body to a window, but the body fell out. Then I tried to carry it, but it was too heavy, so I covered it with books and papers I found on a table. "I washed my hands and face at the bowl where she had stood. While I worked, someone tried the door of the office, then went out.

"I tried to get work in Los Angeles and could not. Later I buried the bloody clothes I wore, and took advantage of the excursion rates to San Diego. I had forgotten all about the murder when I was arrested there." Under his attorneys questioning, Harris testified that some one had told him that a Mrs. Wallace was after him, and that he must kill her. He was searching for Mrs. Wallace, he said, when he entered Mrs. Gay's office.

### The Markets

The hop situation remains unchanged. There are however many more sales than heretofore, though prices are unchanged. It is reported that about 1,000 bales are changing hands in Portland daily at from 22 to 24 cents. Many of the dealers are expecting a 25-cent price before the month is over. Reports from California show sales at about 23 cents. Wheat remains unchanged and the market is quiet.

Liberal arrivals of poultry have lowered the prices somewhat, but they are still high enough to make consumers think twice before buying. Eggs are quoted at 47 cents, and are still on the upgrade. The Oregon hen has simply retired from business and will not sing her charming lay until the winter wardrobe is completed. Prunes are quoted 30s and 40s, at 5 1/2 cents, but eastern buyers think this too high and sales are few.

**DO IT NOW.**  
Salem People Should Not Wait Until It Is Too Late.  
The appalling death-rate from kidney disease is due largely to the fact that the little kidney troubles are usually neglected until they become serious. The slight symptoms often give place to chronic disorders and the sufferer may gradually slip into some serious form of kidney complaint.  
If you suffer from backache, headaches, dizzy spells; if the kidney secretions are irregular of passage and unnatural in appearance, do not delay. Help the kidneys at once.  
Doan's Kidney Pills are especially for kidney disorders—they act where others fail. Over one hundred thousand people have recommended them. Here's a case at home:  
Joseph Wint, 668 High street, Salem, Oregon, says: "My kidneys were disordered and my back seemed to lose its strength. Doan's Kidney Pills soon fixed me up alright. I know that Doan's Kidney Pills are a fine kidney medicine and I willingly recommend them." For sale by all dealers. Price 50 cents.
