OFFENSE POLITICAL AND NOT CRIMINAL WILL BE ZELAYA'S PLEA

[UNITED PRESS LEASED WIRE.]
New York, Nov. 28.—Ex-President Jose Santos Zelaya, of Nicaragua, was chafing today in the Tombs, where United States Commissioner Shields committed him, without bail, yesterday, pending the outcome of the extradition proceedings under which his return to Nicaragua is sought to answer to murder charges.

It was expected his counsel would make a hard fight at his examination Monday to secure his release, on the ground that, if an offender at all, his offense was political, not criminal.

Best Fowl For the Table.

The best table fowl is one that has the heaviest weight of meat on those parts of the body which are favorite cuts. The breast and thighs must be heavy in a good table fowl in proportion to the remainder of the body. In order to have thick breast meat and big thighs these muscles must be used by the fowl. In other words, the flier and scratcher will prove to be the best table fowl, for their lively habits give the muscles of the legs and breast work that renders them firm and fine instead of leaving them flabby and full of loose tissue in the shape of fat—Home and Farm.

He Knew How He Got It.

"That large lump running across the back of your head," said the phenologist, "means that you are inclined to be curious, even to the point of recklessness."

"I know it," said the man who was consulting him. "I got that bump by sticking my head into the dumb waiter shaft to see if the waiter was going up, and it was coming down."

Quite Natural.

"Judge," said the forewoman of the jury of ladies, "we want to speak to you about that sealed verdict we just rendered."

"Well, ladies?"

"Can we unseal it and add a postscript?"—Washington Herald.

Why Read Aloud?

A modern moralist regrets that no body nowadays reads aloud.

But is that the main regret? Isn't the lack of listeners much more serious?—Cleveland Plain Dealer.

CULT LEADER GUILTY.

[UNITED PRESS LEASED WIRE.]
Chicago, Nov. 28.—Otto Man Zar-Adusht Hanish, leader of the Sun worshippers' cult, was convicted this afternoon by a jury in the United States court of sending obscene literature by express. The jury was out two hours.

How foolish to carry a heavy load of trouble in one's hip pocket.

MAN 60 YEARS OLD KILLS GIRL OF 24 AND THEN COMMITS SUICIDE

[UNITED PRESS LEASED WIRE.]
Aberdeen, Wash., Nov. 28.—Frank Nieradzek, aged 60, shot and killed Miss Frances Boyseck, aged 24, and then committed suicide here early today.

The tragedy followed a Polish dance at a neighbor's home. Nieradzek lived in a small house near where the dance was being held, and he asked the woman to accompany him for a drink of wine.

When friends at the party heard the shooting, they rushed to the place and found the woman lying on a bed partially undressed. She had died instantly. Nieradzek died shortly afterward.

The couple gained notoriety a short time ago by allegations of the woman that she had been brought to this country by Nieradzek for immoral purposes. Nieradzek was arrested and ordered deported by the authorities at Washington. The woman was also ordered deported.

In the meantime Miss Boyseck married Nieradzek's son and had been living with him.

Nieradzek had threatened to take his life if returned to his native land and had apparently planned the double tragedy, for during the festivities at the dance he told everybody to drink and be merry for he would not be long with them. He had \$10,000 on deposit in local banks.

two strikers of the General Electric company's plant here were appointed special policemen today by Commissioner of Safety Cole, and instructed to see that the pickets did not forcibly interfere with employes desiring to resume work.

Company officials declared today that 2000 employes had returned to work, but the strike leaders insisted that 100 was nearer the correct number. Representatives of both factions conferred in Mayor Lunn's office this afternoon in an effort to reach a settlement of the dispute.

DOES YOUR HAIR SPOIL YOUR FACE?

If your glass reflects good looks—nice features that would make you considered pretty if only your hair were more becoming—don't you mourn about. Instead of mourning or envying others whose hair is prettier than yours, use Harmony Hair Beautifier, and let others envy you. It is a delightful liquid hair dressing to beautify the hair—make it glossy, softer, easier to put up in graceful, wavy folds that will "stay put." It polishes the hair until it shines, and overcomes the unpleasant, oily odor, with a delightful fresh rose fragrance. Harmony Hair Beautifier is very easy to apply—simply sprinkle a little on your brush each time before brushing it. Contains no oil; will not change the color of hair, nor darken gray hair.

To keep hair and scalp dandruff-free and clean, use Harmony Shampoo. This pure liquid shampoo gives an instantaneous rich lather that immediately penetrates to every part of hair and scalp, insuring a quick, thorough cleansing. Washed off just as quickly, the entire operation takes only a few moments. Contains nothing that can harm the hair; leaves no harshness or stickiness—just a sweet cleanliness.

Both preparations come in odd-shaped very ornamental bottles, with sprinkler tops. Harmony Hair Beautifier, \$1.00. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold in this community only at our store—the Rexall Store—one of the more than 7000 leading drug stores of the United States, Canada and Great Britain, which own the big Harmony laboratories in Boston, where the many celebrated Harmony Perfumes and Toilet Preparations are made.—J.
