### SAYRES SAIL TOMORROW.

[UNITED PRESS LEARNED WIRE.] Hoboken, N. J., Nov. 28.—An official of the North German Lloyd Steamship company admitted here today that Francis B. Sayre and his bride, formerly Miss Wilson, had made reservations on the steamer George Washington, which is scheduled to sail for Europe

at 10 o'clock tomorrow. Workmen were busy decorating the pier. It is believed that President Wilson will see the couple off, returning to New York in time for the football game between the Army and Navy elevens.

## WILLAMETTE CLOSES SEASON CHAMPION

Local University, Which Humbled Oregon, Plays Final Game and Wins By Score of 60 to 0.

### LITTLE OPEN WORK IS TRIED BY EITHER TEAM

Last Quarter Is Cut Down Seven Minutes on Account of Darkness, Which Comes Early.

On a heavy field which handicapped both teams, Willamette university defeated the Oregon Law School 60 to 0 yesterday afternoon. There was little difference in the weight of the two teams and both fought savagely throughout the afternoon. While Willamette outclassed their opponents, they were kept working hard all the time.

This closes the season for Willamette without a defeat and by the team's defeat of Oregon State University, it claims state championship honors among the colleges of the state.

The rain fell in torrents throughout the greater part of the contest and but little open work was tried by either team except that Willamette opened up with a few passes and shift plays in the second half.

For the day the attendance was very good. The last quarter was cut down to seven minutes on account of the darkness.

**The Line-Up.**  
Willamette—Fiegel, R. E. L.; Bolt, R. T. L.; Ferris, R. G. L.; Pfaff, C.; Vandever, L. G. R.; Neustral, L. T. R.; Torkelson and Lund, L. E. R.; Homan, Q.; Small, R. H. L.; Rowland and Torkelson, F.; Doane, L. H. R.  
Oregon Laws—Hardy, R. E. L.; Glennon and Anderson, R. T. L.; McKay, R. G. L.; Mackenzie, C.; Nelson, L. G. R.; Leonard, L. T. R.; Collins, L. E. R.; Magnus, Q.; Everest, R. H. L.; Nordling, F.; Kelley, L. H. R.  
The officials—Bishop of Columbia, referee; Lutz, of O. A. C., umpire; Blackwell, O. A. C., linesman, handled the game splendidly.

## JOE RIVERS DEFEATS LEACH CROSS IN FIGHT

[UNITED PRESS LEARNED WIRE.] Los Angeles, Nov. 28.—Joe Rivers, the Los Angeles Mexican, defeated Leach Cross, the New York lightweight in 20 rounds of fighting at the Vernon arena yesterday. After two knockdowns in the fourth and twelfth rounds Cross, showed marvelous recuperative powers and fought brilliantly, but could not overcome the lead which Rivers won by his consistent and vicious fighting.

During the thirteenth it looked as though Rivers would win with a knock-out. In the fourteenth, however, Cross' marvelous recuperative powers came into evidence and from then on until the nineteenth it was give and take between the two, with only a shade in Rivers' favor. During the entire fight Cross had a marked advantage in five rounds, while Rivers led in 13. Referee George Blake's decision was popular with the crowd.

The most spectacular of the 20 rounds was the nineteenth, when Cross, apparently tired and beaten, electrified his supporters by leaping after Rivers and fighting him off his feet. At the bell the Mexican was hanging on. Cross attempted the same thing in the twentieth, but Rivers came back at him just as viciously and the round ended in favor of Rivers.

Rivers' first knockdown was scored in the fourth with a short left hook to the jaw. Cross remained down for the count of nine. Rivers repeated this feat in the twelfth, flooring Cross with right and left swings to the face. Cross was plainly dazed, and he stalled through the round after taking the count of nine.

### PETROSKY DEFEATED.

[UNITED PRESS LEARNED WIRE.] Butte, Mont., Nov. 28.—Jack Dillon defeated "Sailor" Petrosky in their 15-round fight here yesterday afternoon. The Indianapolis lad was too fast and clever for the marine and in the eighth round floored him with a right uppercut that would have stopped a less game fighter than Petrosky. The sailor took punishment and fought hard all the time but did not land an effective blow.

### WASHINGTON UNIVERSITY CINCHES CHAMPIONSHIP

[UNITED PRESS LEARNED WIRE.] Seattle, Wash., Nov. 28.—The University of Washington defeated Washington College yesterday 20-0. In taking the final game of the season, Washington completes a record of six consecutive conference championships. Though Washington held Pullman

scoreless, the final quarter saw Washington in full retreat with her defense apparently demoralized when Pullman, for the first time in the game, introduced the forward pass and fake play. From the beginning Washington took the offensive, playing a kicking game. In the first half Washington scored two place kicks and in the last half began line bucking, getting two touchdowns. The game was played on a slippery field.

**CLABBY BEATS LOGAN.**  
[UNITED PRESS LEARNED WIRE.] San Francisco, Nov. 28.—For 12 rounds yesterday Jimmy Clabby, of Hammond, Ind., one of the foremost contenders to the middleweight title of the late Stanley Ketchel, cut Soldier Frank Logan, of the Philippines to pieces, and in the thirteenth and fourteenth hammered him into submission. In the middle of the fourteenth the referee stopped the fight.

**OREGON AGAIN DEFEATED.**  
[UNITED PRESS LEARNED WIRE.] Portland, Or., Nov. 28.—Slashing around in puddles of mud and water, most of the time in a driving rain, Multnomah's herculean football men tramped, swam and waded over the lighter University of Oregon eleven yesterday for three touchdowns and their 14th victory in 20 Thanksgiving day games. The score was: Multnomah Club 19, Oregon 0.

**WILLIAMS OUTPOINTS LODIMAN.**  
[UNITED PRESS LEARNED WIRE.] Milwaukee, Wis., Nov. 28.—"Kid" Williams, of Baltimore, easily outpointed Dick Lodiman, of Newcastle, Pa., in a 10-round no-decision boxing contest at 116 pounds here yesterday.

**To Use Convicts.**  
Superintendent Lawson, of the state penitentiary, is preparing to establish a large convict stockade and camp to work prisoners on an extension rock out. The camp will be established after the first of the year, and is not an "honor" camp. This portion of the work was not included in the Keasall & McDowell contract.

Messrs. Hill and Bowley arrived on the Shasta Limited Friday morning. Governor West, Secretary of State Olcott and Superintendent Lawson came on the morning train. At 11 o'clock, accompanied by some 30 Medford citizens, the visitors were taken to Ashland, and, after luncheon, to where the work begins on the new line.

## Huerta and Carranza, Main Figures In Mexican Trouble

Photos copyright, 1913, by American Press Association.

FROM the time the Mexican situation became a thorn in the side of Uncle Sam, after the murder of Madero, two figures have stood out prominently across the Rio Grande. Huerta, as provisional president of the republic, at once found himself persona non grata with the Wilson administration. Expediently recognized by all the other principal governments of the world, he was refused official notice by the United States, it being held that he was not the constitutional head of the country. When the American ambassador, Henry Lane Wilson, resigned the post was left unfilled as notice to the world that the United States did not officially recognize Huerta. Through John Lind and Charge d'Affaires Nelson O'Shaughnessy President Wilson endeavored to bring about Huerta's voluntary retirement before and after the farcical election for president. The other principal figure was General Venustiano Carranza, leader of the rebels, who christened themselves Constitutionalists. Carranza was a close friend of the murdered Madero and fought Huerta's assumption of power from the start. Huerta is shown above and Carranza (marked by arrow) below in camp with some of his followers.

## HOW TO AVOID COLD WEATHER DISEASES

To prevent cold weather diseases, put your body into a proper healthy condition to successfully resist them. Colds, grippe, bronchitis, pneumonia, catarrh, typhoid fever, rheumatism and other ailments may be escaped in most cases, if this is done. Build up your health and strength—your nerves and blood and entire body—into such shape that you can count on good health all during the winter months—by taking Rexall Olive Oil Emulsion, the ideal blood, nerve and body builder.

This is a remarkable medicine, but a common-sense one. It doesn't stimulate. So-called "tonics" that stimulate give no permanent relief; but leave you worse off than before. Rexall Olive Oil Emulsion contains none of those harmful, stimulating ingredients, such as alcohol and dangerous and habit-forming drugs. Its great benefit to you is through its real nerve and blood and body-building effects. It nourishes, builds, strengthens. Its merit does not rest on making you feel better for a few minutes at a time after taking it, but on making you feel better as a result of making you well.

Rexall Olive Oil Emulsion is the ideal blood and nerve-food tonic. You who are weak and run-down, and you who are apparently well now, but are liable to suffer from various cold weather ailments, use Rexall Olive Oil Emulsion to get and keep well and strong. For the tired-out, run-down, nervous, emaciated or debilitated—the convalescing—growing children—aged people—it is a sensible aid to renewed strength, better spirits, flowing health.

Rexall Olive Oil Emulsion—king of the celebrated Rexall Remedies—is for freedom from sickness of you and your family. You'll be as enthusiastic about it as we are when you have noted its pleasant taste, its strengthening, invigorating, building up, disease-preventing effects. If it does not help you, your money will be given back to you without argument. Sold in this community only at our store—The Rexall Store—one of more than 7000 leading drug stores in the United States, Canada and Great Britain.—J. C. Perry Drug Stores.

To scald milk: Set the vessel containing the milk in hot water. Let it remain till bubbles form around the edge of the inner vessel. Do not let a scum form on the milk.

"One does not grow old at table," Italian proverb.

"There are some women who would consider it as much an achievement to get up a proper dinner as a treatise on Egyptology."—National Food Magazine.

A good cook is always a good manager, and will make a meal out of what an inferior cook wastes.

Too much salt toughens vegetables. Strong smelling vegetables, such as cabbage and onion, should be cooked uncovered in a great quantity of water, covering only condenses and strengthens the odor, and when the lid is lifted this spreads through the house.

To blanch vegetables, pour boiling water over them, let stand a minute, then pour off and cover with ice water. This not only insures cleanliness, but improves the flavor.

How often we hear a woman say, "I never prepared this dish for so many persons before, and I don't know just what proportions to use, so it is not as good as usual." This would not be the case if she used accurate measurements at all times. These can always be intelligently added to, or subtracted from, as the need may be.

**Corn Bread.**  
3 cups corn meal.  
1 egg (last).  
1/2 teaspoon soda.

### Time for Fudge

This is the season when home-made fudge is very popular. You would certainly enjoy flavoring your next batch with

## Mapleine

It gives an altogether new and distinctive taste that is very delicious.

Here's the recipe: Cook for 15 minutes, 2 cups of granulated sugar, 1 cup milk, 1 small piece of butter and one teaspoonful of Mapleine. Take off and beat until it grains. Add chopped nuts, figs, etc., then pour on buttered plates.

**GEORGE'S SHELL MAPLEINE.**  
Send 2c stamp for Recipe Book.

**Crescent Manufacturing Co.**  
Seattle, Washington.

2 teaspoons baking powder.  
1/2 teaspoonful salt.  
Add sour milk.

Mix dry ingredients, stir in enough sour milk to make a batter which will pour, but is not too thin. Add egg last. Pour in Crisco pan and bake.

Vegetables should be used freely in every day's dietary. They furnish all the elements necessary for the nourishment of the body.

Dried peas and beans contain the tissue-building element, protein. Green vegetables furnish minerals and acids. The tubers furnish starch, which gives heat and energy to the body.

All fresh vegetables should be washed thoroughly to remove all earth, insects, etc. A scrubbing brush is very useful for this cleaning.
