HOW TO SAVE YOUR EYES

TRY THIS FREE PRESCRIPTION.
Do your eyes give you trouble? Do you already wear eyeglasses or spectacles? Thousands of people wear these "windows" who might easily dispense with them. You may be one of these and it is your duty to save your eyes before it is too late. The eyes are neglected more than any other organ of the entire body. After you finish your day's work you sit down and rest your muscles, but how about your eyes? Do you rest them? You know you do not. You read or do something else that keeps your eyes busy; you work your eyes until you go to bed. That is why so many have strained eyes and finally other eye troubles that threaten partial or total blindness. Eyeglasses are merely crutches; they never cure. This free prescription which has benefited the eyes of so many may work equal wonders for you. Use it a short time. Would you like your eye troubles to disappear as if by magic? Try this prescription: Go to the nearest wide-awake drug store and get a bottle of Optona tablets; fill a two-ounce bottle with water, drop in one tablet and allow it to thoroughly dissolve. With this liquid bathe the eyes two to four times daily. Just note how quickly your eyes clear up and how soon the inflammation will disappear. Don't be afraid to use it; it is absolutely harmless. Many who are now blind might have saved their eyes had they started to care for them in time. This is a simple treatment but marvelously effective in multitudes of cases. Now that you have been warned don't delay a day, but do what you can to save your eyes and you will thank us as long as you live for publishing this prescription.

It seems that Miss Hobbs also acted in behalf of the game interests while in the East. Judgment by default was rendered yesterday morning by Judge Kelly in the case of Carson & Brown, attorneys, against Peter Burkhardt, et al. The plaintiffs were suing for \$50 alleged to be owing them for legal services performed.

The gift question is uppermost in the minds of all people at this time, but it is easy to solve for the man who smokes. Good cigars are always appreciated. Remember, a man would rather receive 10 good cigars than 100 poor ones. Tashmoos 12½¢, La Corona 10 and Bon Ton 5¢, are cigars sure to please the best smokers, as they have been great favorites in Salem for many years.
For the first time since October 8 another appeal for county aid under the widow's pension law was made this morning by Theresa Temple, of Silverton. The applicant says that she has two children, one 14 and one 3, and that she is ill and unable to support either them or herself. Her husband, sets forth the application, deserted her in 1910 and is now married to another woman. The county officials declare that it will be impossible to grant any of the applications until some funds are on hand for that purpose.
