

## EATING RELIEVES STOMACH TROUBLE

A Prominent Physician's Advice.

"Eat good foods and plenty of them. Dieting in many cases, is almost criminal. Get back to normal. To do so you must have the proper quantity of nourishment. You need it for brain or physical work. Probably there is nothing the matter with your stomach except acidity. That is merely an abnormal secretion of acid in the stomach. Neutralize that acid and your stomach trouble will end at once. Neglect may mean ulcers if not cancer of the stomach. Do not take patented medicines or pepsin tablets for dyspepsia. Simply take a neutralizer of acid. Decidedly the best neutralizer is ordinary druggist's b-saturated magnesia. You can get it at any drug store for a few cents. Take a teaspoonful in a quarter glass of water after each meal. The relief will be immediate."

### PORTLAND TEAM IS LOSER TO SALEM BOYS

Saturday night the Salem Yellow Jackets defeated the McLoughlin Club quintet of Portland 26 to 17 at the Y. M. C. A. here. The first half ended 6 to 5 in favor of the Yellow Jackets, but four minutes before time was called to end the game, the visitors were leading 14 to 13. Because intercollegiate rules were played the Portland team was handicapped. Huggins, J. Schott and Tallman played a sensational game for Salem. Toomey, Sharpe and Liebe were the visiting stars. Following is the line-up:

McLoughlin (17), Boynton, Vaughn, P.; Sharpe, F.; Eivers, C.; Captain Toomey, G.; Liebe, G.  
Salem (26), Brink, F.; Huggins, F.; H. Schott, C.; J. Schott, G.; Tallman, G.

### TIMES ARE CHANGING

#### Old Days in Motion Pictures Compared With New

Ye Liberty First to Start Out Along New Lines—Exclusive Right Gives Distinction to Playhouse.

Times in the motion picture field have changed! In the old days an exhibitor ordered his pictures from a certain film supply house, and took what was sent him, either graciously or with reluctance by his heart, as the pictures were good or bad. Today—such has been the advance in the art of producing the pictured drama—the moving picture man who would keep abreast of the times has no such easy task before him.

Owing to the great number of producers, whose offerings equal, and in many cases surpass the so-called "licensed films" the canny exhibitor must select and choose the best from this great field of makers and show his patrons the latest "features," as they are called.

Among Salem's playhouses, Ye Liberty

MARY PICKFORD.

The Idol of the Motion Picture World, Who Comes to Ye Liberty Next Wednesday and Thursday in the Famous Play in Four Acts, "Caprice."

The Famous Players Film company presents the popular play, "Caprice," with no less a star in the leading role than Mary Pickford, at Ye Liberty next Wednesday and Thursday. This popular player and noted play should prove a happy combination. "Caprice" is a pleasant play proving that love levels all, and Miss Pickford is as ideal in the part of Mercy as the play is suited to herself.

The motion picture production abounds with many landscapes and country scenes, and flashes from these

to elaborate mansions, imposing drawing rooms—from the freedom of God's country to the yellow glare of city lights. In a word, it may be summed up as an echo of the hills mingled with the voice of the city.

The categorical review of all the meritorious details that enter into and comprise the production are not necessary when it is remembered that the producers, the Famous Players Film Co., are establishing new standards in picture making and elevating the film to a higher plane than has heretofore been contemplated.
