BELIEVED AMOUNT WILL BE

Plan is to have Work Completed Saturday and Progress in Being Made at Good Rate.

The stock-selling campaign of the Salem Coffee Club began this morning and rapid progress is being made by the solicitors. It is believed that the entire city will be covered by Saturday. A total of 600 shares are on sale at \$5 each. That there will be many sales of more than one share of stock to individual subscribers is certain and it is said some will give as high as \$100.

That there will be no difficulty securing the required amount was the sentiment this afternoon. Citizens are subscribing liberally and there is every reason to believe that the work will be completed by Saturday.

A PORTIO MAGISTRATE.

In New York there is a police magistrate who while fining offenders quotes original poetry to them. That magistrate isn't to be put in a class with Judge Duffy who a generation ago made a name for himself as police magistrate in that town. Folks used to

flock to his court to hear him pronounce sentence upon offenders as they were brought before him. One day a fellow by the name of Duffy was up before the judge, the charge being intoxication and disorderly conduct. When the judge heard the charge and name he looked the fellow for disgracing a good name.

A FALSE PILGRIM.

A woman named Mary Wilson, a deaf mute was, in the Belfast court, sentenced to three months' imprisonment for having obtained \$36 from Mrs. Elizabeth Maxwell, a charwoman, by pretending that she was going to Lourdes and would bring Mrs. Maxwell back a bottle of water from the shrine.

MATERNAL CARES.

First Hen: "What a ridiculously giddy creature that young Mrs. Dorking is!"
Second Hen: "Oh, she's young yet."

Wait till she has known the sorrow of sitting for three weeks on a china egg and two dark knobs; she'll sober down then."

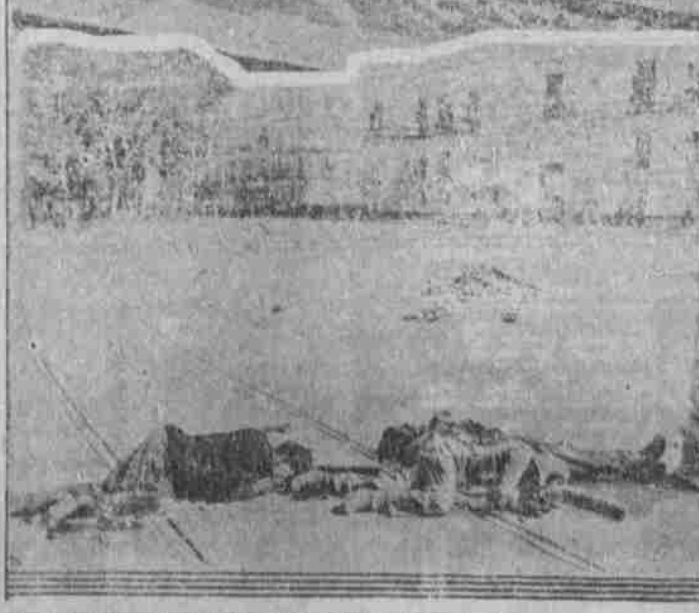

Give one woman two minutes to size another woman up and she can devote two hours to describing what the other had on.

Pictorial Reasons For Wilson's Stand on Mexican Question

Photos copyright, 1913, by American Press Association.

BOTH of these pictures show why President Wilson refused to recognize Huerta as provisional president of Mexico. They are not pleasant pictures, but they are real ones. One shows some of the Mexicans who were shot dead in front of the national palace during the disturbances which accompanied the defeat of the federal forces under Madero and Madero's murder. Huerta had the army with him, and they shot to kill. The other picture shows a band of rebels of the type that kept things stirred up and necessitated President Wilson's notice to Americans in Mexico to flee from the much disturbed country.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Income tax law unconstitutional, says Lawyer Bourke Cockran. But hasn't he noticed that not so many laws in the common people's interest are being declared unconstitutional as formerly?

It seems that the more capable or self-government people become, the more expensive and trouble they have in governing themselves.

This Home-Made Cough Syrup Will Surprise You

Costs Little, but there is Nothing Better at any Price. Fully Guaranteed.

Here is a home-made remedy that takes hold of a cough almost instantly, and will usually conquer an ordinary cough in 24 hours. This recipe makes a pint—enough for a whole family. You couldn't buy as much or as good ready-made cough syrup for \$2.50.

Mix one pint of granulated sugar with 1/2 pint of warm water, and stir 2 minutes. Put 2 1/2 ounces of Pinex (fifty cents' worth) in a pint bottle, and add the Sugar Syrup. This keeps perfectly and has a pleasant taste—children like it. Braces up the appetite and is slightly laxative, which helps end a cough.

You probably know the medical value of pine in treating bronchial asthma, bronchitis, spasmodic croup and whooping cough. Pinex is a most valuable concentrated compound of Norway white pine extract, rich in gualacal and other natural healing pine elements. Other preparations will not work in this combination.

The prompt results from this inexpensive remedy have made friends for it in thousands of homes in the United States and Canada, which explains why the plan has been imitated often, but never successfully.

A guarantee of absolute satisfaction, or money promptly refunded, goes with this preparation. Your druggist has Pinex or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.
