

MANN BITTERLY ASSAILS DEMOCRATIC PARTY

Blames It For Industrial Tornado Which
He Says Is Sweeping Over En-
tire United States.

TARIFF BILL, THREATS AND LACK OF CAPACITY BLAMED

Champ Clark Replies With Charge That
Republicans Have Conspiracy
Against Prosperity.

[UNITED PRESS LEARNED WIRE.]
Washington, Dec. 12.—A vivid word picture of an industrial tornado which he said was sweeping the country, destroying commerce and prosperity, was painted in the house yesterday afternoon by Representative Mann of Illinois. He warned the democrats that unless they changed their tactics the republicans would again be in political control.

"Men are actually starving," said Mann, "while President Wilson is investigating the fun incidental to the Carabro dinner. Municipal lodging houses soon will be in demand everywhere. I am not a calamity hunter, for I have been silent a long time, hoping the clouds would pass by."

Mann cited newspaper articles showing thousands of able-bodied men were out of employment in all of the larger cities. He attributed conditions "partly to the tariff bill and partly to the threats of those in political control and to a general lack of capacity on the part of the party in control."

Speaker Champ Clark replied to the charges of Mann. He denied democratic legislation was responsible for the present conditions and asserted that Senator Elihu Root, Joseph Cannon, former Governor Hadley, of Missouri, Mann and others had entered into a

"republican conspiracy against continued prosperity."

Clark declared that if the currency bill had passed the senate within two weeks after it had passed the house the republican leaders "would not have dared to publish such statements as they had."

SUFFRAGETTES USE BOMBS.

[UNITED PRESS LEARNED WIRE.]
London, Dec. 12.—Two explosions last evening shattered the windows of houses opposite Holloway jail, where London's suffragette prisoners usually are kept. Suffragette bombs were supposed to have done the damage. How badly the jail was damaged could not be learned, as the police surrounded it immediately and prevented investigation.

WILLAMETTE CLOSES FOR ANNUAL VACATION

Willamette closed its doors for the Christmas vacation this afternoon at 3:30, and class work will not be resumed until Tuesday, January 6, 1914. The afternoon electric for Portland carried over a carload of students of the local institution, and, judging from their conduct on similar occasions in the past, residents of the different cities between Salem and Portland, at least those residing near the railway line, will be apprised of the fact that college is out, and the students are on their way home, Willamette songs and yells being the continuous program from Salem to Portland.

The trains for the south also carried a fairly large number of students, a large delegation of Linn county students leaving at 1:05, with more to go at 4:35.

CHARGES SEVERAL PERSONS WITH STEALING DIAMONDS

[UNITED PRESS LEARNED WIRE.]
San Bernardino, Cal., Dec. 12.—Deputies from Sheriff Ralph's office arrested Robert Lithgow at Amboy today on a charge of burglary in connection with the disappearance of diamonds worth \$5,000 from the home of Mrs. Ida Morgan, at Cima, California.

Orris Budd, his wife, Mrs. Florence Budd, the latter's brother, E. Burroughs, and R. F. Fisher, a Long Beach constable, already are under arrest there in connection with the case. Mrs. Morgan's attorneys alleged that all were in a conspiracy that resulted in the disappearance of the jewels when they visited her home.

Mrs. Morgan is the widow of "Gold Dust" Morgan, a millionaire mining man who died recently. Mayor-elect Wheaton of Long Beach is here to guard the interest of the persons she has accused.

LADIES! DARKEN YOUR GRAY HAIR

Look Younger! Use Grandmother's Recipe of Sage Tea and Sulphur and Nobody Will Know.

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and abundant. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a 50-cent bottle of "Wyeth's Sage and Sulphur Hair Remedy," you will get this famous old recipe which can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, feverish, itchy scalp and falling hair.

A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark, glossy, soft and abundant. Local agent, J. C. Perry.

PRESIDENT WILSON WILL TAKE MONTH'S VACATION

[UNITED PRESS LEARNED WIRE.]
Washington, Dec. 12.—In view of the fact that the currency bill will undoubtedly be ready for him to sign early next week, President Wilson's vacation plans took definite shape yesterday.

The president will leave Washington for the south as soon as the bill is out of the way and remain at least two and perhaps three weeks. There certainly will be no New Year's reception at the White House and the diplomatic reception for January 6 may be postponed so that the chief executive may take a longer rest.

under indictment for attempting to ex-
tort \$500 from Judge Robert M. Wid-
ney, of Los Angeles, was continued un-
til January 12 by Superior Judge Law-
lor today. The continuance was caused
by the failure of the police to locate
Robert J. Widney, Vivien Lyon and
Noel Murphy, principal witnesses for
the prosecution. Young Widney and the
Lyon woman, Judge Widney told Judge
Lawlor, were in Seattle.

ker by the Cincinnati club to Brooklyn

deavored to get Tinker after he had
