Colds to Be Taken Seriously. Intelligent people realize that common colds should be treated promptly. If there is sneezing, with chilliness and hoarseness, tickling throat and coughing, the latter especially annoying at bed time, use Foley's Honey and Tar Compound. It is effective, pleasant to take, checks a cold, stops the cough which causes loss of sleep, and lowers the vital resistance to disease. Remember the name, Foley's Honey and Tar Compound and avoid substitutes. J. C. Perry.

The man who is always boasting of his smartness or greatness never mentions his unpopularity. Cold and wet feet are a dangerous combination especially to women, who are more prone to kidney diseases than men. Congested kidneys come from a cold, and backache, rheumatism, urinary irregularities and rheumatic forms are not unusual results. Foley Kidney Pills restore the regular and normal action of the kidneys and bladder, and so remove the cause of the trouble. It is an honest and curative medicine that always gives results. J. C. Perry.

A Difference in Working Hours.

A man's working day is 8 hours. His body organs must work perfectly 24 hours to keep him fit for 8 hours work. Weak, sore, inactive kidneys can not do it. They must be sound and healthy active all the time. Foley Kidney Pills will make them sound and well. You can not take them into your system without good results following their use. They are tonic in action, quick in results, and contain no habit forming drugs. Try them. J. C. Perry.
