## FEDERAL LEAGUES IS WARNED BY BAKER

Brennan and Killifer Have Contracts With Philadelphia Nationals and Cannot Get Away.

## KNABE SAYS HE HAS SIGNED EIGHT MAJOR LEAGUES

Spring Training Places Are Being Mapped Out and Steps Taken to Purchase Needed Equipment.

[UNITED PRESS LEASED WIRE.]  
Chicago, Jan. 21.—The following message was sent to President Baker, of the Philadelphia National league club today by President John A. Gilmore of the Federal league:

"I hereby notify you that Ad Brennan and William Killifer have signed contracts with the Chicago Federal league club and have received advance money. Both men are our players and their contracts will be protected."

Manager Otto Knabe of the Baltimore Federals conferred here today with Charles Weeghman, president of the Chicago club. Knabe declared he had signed eight major league players. Spring training plans were being mapped out today, at Federal league headquarters. Several club managers also interviewed salesmen for sporting goods houses with a view to purchasing uniforms for their players.

## WILLAMETTE UNIVERSITY DEFEATS Y.M.C.A. TEAM

The Willamette university basketball team defeated the Yellow Jackets of the Salem Y. M. C. A. in a practice game at the varsity gym last evening by a score of 22 to 18.

While the game was not a match contest, yet each team played hard ball and the contest proved very interesting to the small group of spectators who gathered to watch the practice.

The varsity team will journey to Portland next Saturday to contest with the Multnomah Club team of that city, Saturday evening. The lineup last evening:

Yellow Jackets—R Schott, Baker and Huggins, forwards; H. Schott, center; Brink and Kinead, guards.  
Willamette—Homan and Tallman, forwards; Carson, center; Rowland, Fiegel, Shistler and Gates, guards. Referee Schramm.

## BONDS TO FIGHT COWLER.

[UNITED PRESS LEASED WIRE.]  
Tacoma, Wash., Jan. 21.—Joe Bonds, local heavyweight boxer is matched today to box Tom Cowler, a recent arrival from England, at Vancouver, B. C., February 15. Cowler has been boxing in Canada. He is credited with having defeated Jewey Smith in England and with having boxed 20 rounds with Bombardier Wells. Bonds is a protege of Denver Ed Martin and has never been decisively defeated.

## JABS AND JOLTS

Max Carey of the Pirates is selling diamonds in St. Louis, thereby proving that he is only a ball player. If he were a magnate he would be selling gold bricks.

It is good policy to insure Walter Johnson for \$100,000, but we'd hate to take the job of insuring the fellows he pitches against.

One thing we can't understand about George Chip is that he hit Frank Klaus on the jaw and failed to sustain a fracture of the mitt.

Had we been a friend of Willie Ritchie, and had we thought of it at the time, we should have sent him an electric foot warmer as a Christmas present.

Charley Carr's school for baseball players may be a boon to the public, but what we need just now is a school for baseball magnates.

Our heavyweights may be all to the bad, but we hope that when Georges Carpentier hits our hospital shores he has enough money to pay his fare back.

## THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girl! Beautify Your Hair! Make It Soft, Fluffy and Luxuriant—Try The Moist Cloth.

Try as you will, after an application of Danderine, you cannot find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most, will be after a few weeks' use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is immediate and amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance, the beauty and shimmer of true hair health.

Get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter, and prove that your hair is as pretty and soft as any—that is has been neglected or injured by careless treatment—that's all.

## UMPIRE BUSH ALSO JOINS OUTLAW BAND

[UNITED PRESS LEASED WIRE.]  
Portland, Or., Jan. 21.—When Garnet C. Bush, deposed umpire of the Pacific Coast league, signed a contract with the Federal league yesterday to act as one of its arbiters, the first case of an umpire hurdling to the outlaws went on record, for Bush had signed a contract to umpire in the Northwestern league in 1914, according to President Fielder Jones today.

Jones stated that he had his three umpires for 1914 signed up, but was not ready to announce the names, and the defection of Bush rather angered him. He also said he feared one of his other umpires, an eastern man, who worked in class AA ball last year, was about to go to the Federals.

"I had Bush signed to a contract," said President Jones, "but I guess the Federals offered him more money than I could afford to pay, and he took the jump."

## FORD LED MASS MEETING BEFORE FOUR WERE KILLED

[UNITED PRESS LEASED WIRE.]  
Marysville, Cal., Jan. 21.—Nearly a dozen witnesses testified yesterday at the trial of four men alleged to have murdered District Attorney Maxwell in the Wheatland hop yard riot last August, that Richard (Blackie) Ford, one defendant, led a mass meeting a few minutes before the shooting in which four men were killed.

T. J. Jamison, blacksmith then employed at the hopyard, testified he had heard Ford say:

"Conditions here are hell; I don't want to live in hell and would rather send some other fellow there!"

James Howard said he saw William Beck, another defendant, run from the crowd with a revolver in his hand after the officers had been shot. Howard said he saw Ford give some papers to Beck and remarked:

"I'll give these to the secretary of the Industrial Workers of the World."

## 'DAVID COPPERFIELD' WINS PRAISE OF ALL

The presentation of "David Copperfield" at Ye Liberty last night was acclaimed by all who saw this wonderful seven-part production in motion pictures of Charles Dickens' greatest work, to be one of the triumphs of modern photo-play history.

The picture is technically perfect, and the charm of the acting makes one forget that it is only a motion picture. It seems as if real flesh and blood people were on the stage, and the story is worked out to such great perfection that interest is never lost throughout the whole seven reels.

All Salem should witness this triumph of photoplay production, and appealing as it does to old and young alike, it is most probable that a greater percentage of theatre goers and non-theatre goers will be at Ye Liberty before the close of the engagement, which is on Thursday night. Matinees are given daily at 2:15 and the evening performances are at 7:15 and 9:00.
