

BELLE AND GRAY WILL CONDUCT TWO STORES

Will Retain Store on North Commercial and Will Also Operate One in Building Occupied by Zinn.

WILL ENLARGE CANDY PLANT AND INCREASE CAPACITY

Store on State Street To Be Entirely Remodeled and Made Up-to-Date in Every Respect.

By the first of April, this year, Salem will be able to boast of having one of the most modern confectionery establishments in the northwest, according to Claude Belle, the well known local candy man.

Plans for the new store were consummated but a short time ago when Mr. Belle sold out half of his interest in the store now conducted by him on North Commercial street to George Gray, a former well known local young man who, believing in the bright future for the Capital City, has decided to invest some of his money here.

Up-to-Date Plant. It is the intention of the owners of the present plant on Commercial street to establish what will be one of the most modern candy manufacturing plants in the country.

The manufacturing plant which is to be set up by Messrs Belle and Gray, will not only be modern in every respect but the gentlemen are giving the sanitary conditions their closest attention.

Modern Store. The work of preparing the new store on State street for improvements will begin within a very short time.

The first move will be to place a tile floor over the entire first floor. Fixtures of the latest design will then be installed and there will be tables sufficient to serve over a hundred people in the building.

There will be a very long list of the "also runs" after the primaries, but most of them will not have run fast or far.

SICK, SOUR STOMACH, INDIGESTION OR GAS

Take "Pape's Diapepsin" and in Five Minutes You'll Wonder What Became of Misery in Stomach.

Wonder what upset your stomach— which portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt; if sour, gassy and upset, and what you just ate has fermented into stubborn lumps; head dizzy and aches; belch gases and acids and eructate undigested food; breath foul, tongue coated—just take a little Pape's Diapepsin and in five minutes you wonder what became of the indigestion and distress.

Millions of men and women today know that it is needless to have a bad stomach. A little Diapepsin occasionally keeps this delicate organ regulated and they eat their favorite foods without fear.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless relief is Pape's Diapepsin which costs only fifty cents for a large case at drug stores. It's truly wonderful—it digests food and sets things straight, so gently and easily that it is really astonishing. Please, for your sake, don't go on and on with a weak, disordered stomach; it's so unnecessary.

WINTER BREAKS RECORDS

According to the record kept at the O. C. T. Company's wharf of the local weather conditions, the present winter is a record breaker for mildness, and sunshine. A million barrels of sunshine with mercury lying at the 60- above mark has been practically all that the weather man has had to report here so far this winter.

During the months of December, January and February last year, the thermometer registered down as low as five above in this city. This year the official dials have recorded nothing more than 29 above so far, while the rainfall is far below the averages made for the past three years.

Another indication of unusually mild weather is the fact that the robins have been waking the citizens up in the morning for the past twenty days. This bird does not generally put in its appearance until along in the latter part of February, if then, Daisies and the more hardier flowers are blooming now and, according to the farmers, pasture lands in Marion county are fairly smothered with grass.

Just what has come over the weather in this vicinity to make it more ideal cannot be explained by the oldest Oregonian, but with dust blowing in the streets, sunshine every day and the mercury floating on the summer-stage, it is undoubtedly a case of Oregon trying to beat California for a record of continual summer.

DID CHILD WAKE UP CROSS OR FEVERISH?

Look, Mother! If Tongue Is Coated, Give "California Syrup of Figs" to Clean the Bowels.

Mother! Your child isn't naturally cross and peevish. See if the tongue is coated; this is a sure sign its little stomach, liver and bowels need a cleansing at once.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, diarrhoea, remember, a gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for children's ills; give a teaspoonful, and in a few hours all the foul waste, sour bile and fermenting food which is clogged in the bowels passes out of the system, and you have a well and playful child again. All children love this harmless, delicious "fruit laxative," and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle. Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look and see that it is made by the "California Fig Syrup Company." Counterfeits are being sold here. Don't be fooled.

PIPE SMOKING INCREASES

NEW PROCESS BY WHICH "BITE" IS REMOVED IS RESPONSIBLE FOR POPULARITY.

"Have you noticed that many more men smoke pipes nowadays than five or ten years ago?" asked Thos. A. Baird, an experienced tobacco man, who is at the Marion hotel for a few days. "It is no exaggeration to say," continued Mr. Baird, "that two million more men are smoking pipes now than were ten years ago. This tremendous increase is due to the discovery of a process of treating Burley tobacco to remove the bite from it."

"For many years tobacco men have known that Kentucky Burley is the sweetest and mildest of tobacco, but it remained for a Richmond doctor to discover the famous 'Tuxedo Process' which removes every trace of bite or sting, and preserves the original sweetness and freshness of the Burley."

That this "Tuxedo Process" does actually remove all the bite and sting from the tobacco, is proven by the hearty endorsement which the tobacco has received from hundreds of America's greatest men, including such well-known names as Rex Beach, John Philip Sousa, Congressman William F. Murray of Massachusetts and W. Stuart Reburn of Pennsylvania. George H. Ransome, the author, Harrison Fish of the artist, Henry Heisterlahl the well-known expert on naval construction, Vilhjalmur Stefansson the noted explorer, and many others.

The manufacturers of Tuxedo are giving a practical demonstration of the justification of their claims as to the mildness, purity and fragrance of Tuxedo tobacco, in this city this week, by giving free for a few days a splendid watch box to each purchaser of a 10c tin of Tuxedo. The medalion is of solid bronze or silver finish, and carries the great seal of the United States in bas relief. The strap is of fine, smooth, black leather, with a handsome enameled buckle, strong and serviceable. The box is at the same time useful and ornamental, and may be considered one of the most remarkable free propositions ever offered to the public.

TESTIMONY

(Continued from page one.)

Dr. Earp Called It Lie. United States Marshal J. G. Newell testified that Dr. J. H. Earp, president of the Jacksonian Club and one of Mrs. Bond's witnesses, showed him a clipping of the Gore case last April. "That is all a damn lie," Newell alleged Earp told him. "I never talked with Gore about this. That is some of Jim Jacobs' work. He cooked that case up."

Dr. Earp was the next witness. He swore that on the Thursday after the alleged assault Gore told him that he "had loved Mrs. Bond up a little," but that "she fought like a hyena."

Prepared to Trap Gore. A deposition by Mrs. Tillie Strayhoff employed as a maid at the Hotel Winston, also was read. She swore she saw Jacobs emerge from Mrs. Bond's room "more times than one." She declared a dress blocking a door between the room where the alleged assault occurred and the room eye-witnesses alleged they occupied was removed a few minutes before.

\$100 Reward, \$100. The readers of this paper will be pleased to learn that there is at least one disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by all Druggists. Take Hall's Family Pills for constipation.

All German speaking people heartily welcome to all services.

A. B. BASCO COMPANY

MUSICAL COMEDY PRODUCTION WILL ARRIVE TOMORROW AND STAY FOUR DAYS.

Musical comedy is all the rage now for theatre-goers, especially when a more than capable company presents genuine comedy at popular prices. That is why the above organization is playing return dates in all large cities in Oregon. Basco and his company have just closed a week's run at Page theatre in Medford, where all full capacity house records were broken, standing them up and turning them away was a nightly rule, and the local manager has canceled all big show dates and will play Basco and his company for a run of 30 days, starting February 23. This is speaking well of the organization, but no more than it is deserving of. They played the Big theatre here about a month ago, and left a very strong impression, as they present musical comedies in a par excellent manner. The musical portion, both of the principals

Bedding-Bedding Special Bargains All Next Week

We have just placed on sale at greatly reduced prices BEDDING consisting of Silk-floss and Cotton Mattresses, all-wool and Cotton Blankets, Comforters and Pillows.
