**WOMAN REFUSES OPERATION**

Tells How She Was Saved by Taking Lydia E. Pinkham's Vegetable Compound.

Logansport, Ind.—"My baby was over a year old and I bloated till I was a burden to myself. I suffered from female trouble so I could not stand on my feet and I felt like millions of needles were pricking me all over. At last my doctor told me that all that would save me was an operation, but this I refused. I told my husband to get me a bottle of Lydia E. Pinkham's Vegetable Compound and I would try it before I would submit to any operation. He did so and I improved right along. I am now doing all my work and feeling fine.

"I hope other suffering women will try your Compound. I will recommend it to all I know."—Mrs. DANIEL D. B. DAVIS, 110 Franklin St., Logansport, Ind.

Since we guarantee that all testimonials which we publish are genuine, is it not fair to suppose that if Lydia E. Pinkham's Vegetable Compound has the virtue to help these women it will help any other woman who is suffering in a like manner?

If you are ill do not drag along until an operation is necessary, but at once take Lydia E. Pinkham's Vegetable Compound.

Opportunity" and "The Ideal Religion."

The Business Woman's Home of Eugene is just now the center of much interest in that city, where more than \$100 has recently been raised to help carry on the work of this institution. It provides a home and meals for working girls at a very small cost. Mrs. Rachel Lane is the "mother" of the home and is much beloved by the girls.

The Woman's Civic League of Klammath Falls is heading a movement for the organization of a Humane society in that city. Mrs. G. W. White, president of the league is much interested in the matter of cruelty to animals and is active in bringing about an organization to stop cruelty.

The Greater Medford club is heading a movement to have the state normal school reestablished at Ashland. Mrs. George King was the principal speaker and she pointed out the great need of increased facilities for normal training by comparison with neighboring states.

A French speaking club has been organized by about 50 prominent men and women of the city and will hold their first meeting next Monday evening, the public library at 7:30. A moving spirit of the club is John A. A. Payen, the well known teacher of French, although many have been former students of this beautiful language and are taking this opportunity to practice its use.

A new organization for the city is the Men's Liberal club, which was formed Thursday evening at Unity church, this being the second meeting. Officers elected were Roy Burton, treasurer; W. A. Denton, president; Carl Smith, secretary; Daniel Webster, C. S. Hamilton and Gideon Stolz, members of the executive committee. The object of the club will be to form an open forum or social center. As the date fell on Lincoln's birthday a patriotic program of short speeches was presented, the speakers being Daniel Webster, Dana H. Allen, Carl Smith, R. F. Fischer and J. B. Eaton. As the next meeting precedes Washington's birthday, Dana Allen, A. M. Dalrymple and Guy O. Smith will take their texts from "The Father of His Country."

**Sick Women Made Well**

Reliable evidence is abundant that women are constantly being restored to health by Lydia E. Pinkham's Vegetable Compound

The many testimonial letters that we are continually publishing in the newspapers—hundreds of them—are all genuine, true and unsolicited expressions of heartfelt gratitude for the freedom from suffering that has come to these women solely through the use of Lydia E. Pinkham's Vegetable Compound.

Money could not buy nor any kind of influence obtain such recommendations; you may depend upon it that any testimonial we publish is honest and true—if you have any doubt of this write to the women whose true names and addresses are always given, and learn for yourself.

Read this one from Mrs. Waters:

CAMDEN, N.J.—"I was sick for two years with nervous spells, and my kidneys were affected. I had a doctor all the time and used a galvanic battery, but nothing did me any good. I was not able to go to bed, but spent my time on a couch or in a sleeping chair, and soon became almost a skeleton. Finally my doctor went away for his health, and my husband heard of Lydia E. Pinkham's Vegetable Compound and got me some. In two months I got relief and now I am like a new woman and am at my usual weight. I recommend your medicine to every one and so does my husband."—Mrs. TILLIE WATERS, 1135 Knight St., Camden, N.J.

And this one from Mrs. Haddock:

UTICA, OKLA.—"I was weak and nervous, not able to do my work and scarcely able to be on my feet. I had backache, headache, palpitation of the heart, trouble with my bowels, and inflammation. Since taking the Lydia E. Pinkham's Vegetable Compound I am better than I have been for twenty years. I think it is a wonderful medicine and I have recommended it to others."—Mrs. MARY ANN HADDOCK, Utica, Oklahoma.

Now answer this question if you can. Why should a woman continue to suffer without first giving Lydia E. Pinkham's Vegetable Compound a trial? You know that it has saved many others—why should it fail in your case?

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No one sick with woman's ailments does justice to herself if she does not try this famous medicine made from roots and herbs, it has restored so many suffering women to health.

Write to LYDIA E. PINKHAM MEDICINE CO., (CONFIDENTIAL) LYNN, MASS., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.
