

Blooming Before the Spring

THOSE exclusive things that herald the approach of a new season which are always so appreciated by careful dressers will be found here in numbers. Particularly in our women's garment department are we more than ever prepared to supply the wants of most fastidious dressers--those who demand styles just a little different.

The New Suits, Coats, Dresses and Waists are bright and beautiful, the newest products from the fashion centers. Every woman in Salem will be interested in this early showing of latest modes, and we urge our patrons to come and see the New Spring assortments--whether they are ready to purchase or not.

The new displays of Ribbons, Neckwear, Embroideries, Wash Goods, Dress Goods, and Silks are also worthy of your attention now.

New Stylish Footwear

For men and women. We're ready with an early showing of the newest footwear for spring. English models will be very popular--the low heel and receding toe having quite a demand. Women's shoes in gun metal and patent, with the new heel, are also favorites. Visit the shoe section and let us show you these new arrivals.
