#### WILLIE'S INVENTION.

When Willie's mother opened the door to the vicar her face beamed with joy and welcome, in spite of the fact that it was washing day.

"This is a real pleasure, sir," she began. "I've been waiting to thank you for the good you've done our Willie by your evening classes. Home's as different again since he attended the plumbing and gas-fitting class."

"This is, indeed, gratifying—very!" said the vicar. "Now, what improvement have you noticed especially in little Willie of late?"

"Well, he's arranged our penny-in-the-slot gas meter so that we get our gas for nothing. You see, he's removed it from the scullery to outside the front door, sir."

"But you still have to put your penny in the slot, my good woman."

"Ah, but you see, sir before he put the meter in the road, our Willie wrote 'Chocolate' over the slot."—London Answers.
