BY HARBOR PATROL Flames Flare Up in Asphalt of Dock and Spread With Great Rapidity . [UNITED PRESS LEASED WINE.] Portland, Or., March 12.-Damage estimated in excess of \$1,000,000 was

done early today by a fire which destroved Columbia docks Nos, 1 and 2; Montgomery dock No. 1, and part of The steam schooner Cricket, loaded with asphalt, is practically a total loss,

Portland Dock and Steamer

Cricket Destroyed and

Glenroy Damaged.

HEROIC SESCUE WORK

and the British Royal Mail liner Glenroy, loaded with lumber and wheat, has her upper decks burned away, with considerable damage to her cargo. Grain valued at \$355,000, belonging

to Max Houser, the "Barley King," which was stored in the warehouse on the dock, was reduced to a parched and soggy mass by fire and water.

Four thousand barrels of asphaltum in the held of the Cricket, valued at \$11,000, was consumed.

The British steamer Glenroy, of the Royal Mail line, suffered the loss of her bridge deck and part of her cargo, the exact amount of damage being so far unavailable.

Soon Raging Furnace.

The fire was probably caused by an explosion of wheat chaff on the Columbin dock. The Cricket, the first ves sel to take fire, became at once a roarinvestigating today the fatal shooting ing furnace, the inflammable carge making the craft a floating torch. She was cut loose from the dock and set adrift, but instead of taking the channel in the middle of the river, floated against Montgoemry dock No. 2, setting fire to the platform, the burning oils pouring into the water and firing One thing definitely learned was that the piers.

Beached on Small Island. The fireboat David Campbell seized her with grappling irons and towed her to a small island below the flouring mills, where she was beached and aban-

It was not until the fire had burned taulf out on the docks and on the Glenroy that the fireboat went back and began playing streams on the burn-Ing Cricket.

Sailors Jump Overboard.
