## WILLAMETTE GLEE CLUB SPECIAL SERVICES IN ALL SALEM CHURCHES

Tour Is Pronounced by Dean Mendenhall to be One of the Most Successful Ever Attempted.

CROWDED HOUSES GREET BOYS AT ALL CONCERTS

Remember that Some of the Members Were Seaside but No One Found Who Will Admit Charge.

Willamette University Glee Club boys returned Sunday afternoon from a two weeks' concert trip into the Coos Bay country. This trip was one of the most successful ever taken by the university club. Crowded houses greeted the songsters at every stop. During the twelve days stay every hospitality was shown them by the people of the Coos Bay country.

Financially the trip practically paid for itself, which, on account of the heavy expenses entailed by the steamer trip and the necessary lay-over waiting for the return boat, is considered exceptionally good. Glen J. McCaddam, manager, is feeling good over the results of the excursion, as he worked hard and faithfully to make the affair a success.

Frederick S. Mendenhall, dean of the college of Music and director of the club, said today that he was highly pleased with the trip. He gave the boys credit for giving first-class concerts, and making the tour a brilliant success from an artistic standpoint. The dean said this was the first time a glee club had been over into this part of Oregon for a great many years, and as a result the people were ready to give them an enthusiastic reception.

Shortly after the boys reached over the Columbia river but they became seasick and the majority kept their bunks until they reached Coos Bay. They crossed over over the bar about six o'clock in the evening and when the steward called next morning for breakfast scarcely one answered. Dean Mendenhall stuck his head out of the door once and then went back to his bunk for the rest of the trip. Paul Smith, so it is told of him, could only rest easily with his feet out of a port-hole and his head downward across the edge of his bed. One of the boys got no further, sank down and called for help. Another went to his assistance but landed in the same plight. But it was some trip, so the boys say, and never will be forgotten.

Marshall, Bandon, Myrtle Point, Coquille, and North Bend were the cities in which concerts were given.

Music in celebration of the Easter-tide, typifying the risen Christ and all the significance of the new life and the resurrection from the dead ashes the past into a better and purer existence was given in all the churches of the city Sunday morning and evening. Large crowds of people attended the services, which were replete with good things in both vocal and instrumental music.

Special Easter music was given at the First Methodist church under the direction of Dean Frederick S. Mendenhall of Willamette university. The numbers given by the choir were: "How Christ Is Risen," by West; "Christ Our Passover," by Schaecker; "The Resurrection," by Shelly; "Oh! Lift Your Joyful Hearts," by Dressler, and "Regina Coeli," by Mascagni. Readings, solos, and duets formed the services at the Sunday school.

An elaborate program was rendered at the First Baptist church. Opening with "Easter Processional," an organ composition by Wilson, there followed "Elizabeth's Prayer," from Thannhauser; Wagner, a violin solo played by Miss Mary Schultz; a vocal solo, "The Man of Sorrows," Adams, by Miss Ermine Bushnell; anthem, "The Resurrection," by Shelly; "Night Song," an organ composition by Ashford; the offertory, violin by Miss Schultz; "Theme From Air Variet"; a vocal solo, "Easter Triumph," by Mrs. Theodore Roth, and two other anthems by the choir.

Church services were brilliant with the usual outburst of new millinery and fashion practically ruled supreme. The weather was kind for the morning and allowed the exotic blossoms to burst unrestrained into bloom, but shortly after 12 o'clock the beautiful day turned into a drizzling, plumage-wilting afternoon. Women and girls hid their heads and donned the modest vestments more appropriate to meet the April showers.

Church services were brilliant with the usual outburst of new millinery and fashion practically ruled supreme. The weather was kind for the morning and allowed the exotic blossoms to burst unrestrained into bloom, but shortly after 12 o'clock the beautiful day turned into a drizzling, plumage-wilting afternoon. Women and girls hid their heads and donned the modest vestments more appropriate to meet the April showers.

## MANUAL TRAINING WORK AT FALLS CITY IS THOROUGH

The manual training work in the Falls City High School is proving quite profitable to the district, as well as to the boys who are taking the course. This is shown by a report made to Superintendent of Public Instruction Churchill by Assistant State Superintendent Frank K. Welles who recently made an official visit to this school. Falls City is a lumbering town and the high school boys seem to take naturally to wood work. Although their original equipment consisted of only a few hand tools, they have made 11 work-benches and are constantly adding to their equipment with the money which they receive through the manufacture and sale of furniture. They make a mission table for the bank, a book-case and cabinet for one of the physicians, and they now have an order for an ice chest and a cabinet for a dentist and a writing table and set of chairs for one of the hotels. The quality of the work turned out by the students is of such superior quality that the demand has increased until they are now unable to fill all of the orders for their product which comes to them. The manual training work is being done under the direction of Principal H. E. Barnhart.

## "CASCARETS" ALWAYS STRAIGHTEN YOU UP

If Costive, Headachy, Bilious, Stomach Sour, Breath Bad—Clean your Liver and Bowels.

Get a 10-cent box now.

You men and women who can't get feeling right—who have headaches, coated tongues, foul taste and foul breath, dizziness, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have backache and feel worn out.

Are you keeping your bowels clean with Cascarets, or merely forcing a passage every few days with salts, cathartic pills or castor oil?

Cascarets work while you sleep; cleanse the stomach, remove the sour, undigested, fermenting food and foul gases; take the excess bile from the liver and carry out of the system all the constipated waste matter and poison in the bowels.

A Cascaret to-night will straighten you out or morning—a 10-cent box from any drug store will keep your stomach sweet; liver and bowels regular, and head clear for months. Don't forget the children. They love Cascarets because they taste good—never gripe or sicken.

There is yet time for candidate who cannot possibly resist the importunate solicitations of their friends.

A selfish life, however rich or noted one may become, is a dismal, deplorable failure.

### NEW BOOKS ADDED TO PUBLIC LIBRARY

- Atherton, G. F.—Julia France and her times.
- Beach, R. E.—The iron trail.
- Bindloss, H.—Prescott of the Satchewan.
- Brady, C. T.—Colonial fights and fighters.

- Weir & Durham—Practical recreation manual.

### Eye Glasses Should Go

Says New York Physician.

Here Is His Free Prescription.

"Many who wear glasses could dispense with them. Only ordinary care is necessary. The eyes of old and young should be properly bathed night and morning. This is more important than cleansing teeth," says he and then he goes on to say:

"The following treatment is worthy of fullest confidence. It is scientific, immediately effective and positively harmless to the weakest or eyes. Go to any drug store, get a tube of Optona tablets, dissolve one in a two ounce bottle of pure water and bathe the eyes two to four times daily. What is generally known as eye strain will soon be banished while the muscles and nerves are permitted to perform their normal functions. It helps diseased eyes and it keeps good eyes healthy; it is absolutely harmless in every way; does not smart or burn, has a wonderful effect on granulated lids and is especially recommended for dull, bleary or glassy eyes. It helps all eyes and should be in every home for use in emergency.

The following extracts are from letters received from users of this prescription:

"I used Optona one week for a cold in my eyes; it did me a great deal of good."

"My eyes have been failing for years. I am sure Optona is doing them good and shall continue its use."

"Have only been using Optona a short time. My eyes are improving wonderfully."

"I find Optona very satisfactory and recommend it wherever I find an opportunity. I find it very soothing."

"I've been benefited by Optona and intend to follow the treatment."

"Have been using Optona for about three months and it has greatly improved my sight."

"My eyes have been sore for several years; were red and inflamed. Used everything recommended and gained no relief. I had my eyes examined and wore glasses for six months. I read of Optona and thought I would give it a trial. Am glad to be able to state I got satisfactory relief, and have not worn my glasses since. I feel my eyes do not require them."

Many others have made similar reports. If your eyes bother you, have the above prescription filled; it may do wonders for you. Do not become a victim of neglect. You perhaps value your eyes more than any other organ, therefore it's your duty to protect them. This free prescription has given relief to thousands.

Hops, choice 17c.	

### CIRCUS COMES TUESDAY AND WILL BE GOOD ONE

Tomorrow will be circus day—fun day. The big Barnes Circus will be in town. Glad, aren't you, and doesn't the knowledge excite you some fun—expectant thrills!

Honest now, aren't you glad it's coming—glad for the chance you'll have (or excuse) to get away from your cares for a day and be a small boy or girl again?

Bless you, of course you'll enjoy the frolic. In the early morning you can watch the show unfold. Later you may see the dazzling parade—the parade with trumpeting bands, beautiful horses, elephants, dens of wild beasts, clowns who guy the girls along the route, and the steam organ. Then out at the show grounds there's the free exhibition on the outside. No small boy or girl would ever miss seeing that. And the side shows—fairly bagging (as the bills say) with wonderful, prodigious, extraordinary, awe-inspiring curiosities and monstrosities. What, miss seeing them? Well we guess not.

One o'clock is the hour for the big show to open, when one can get in to feed the elephants peanuts and drink pink lemonade—what would a circus be without doing that! Later the bands will trumpet and all the wonderful things you have seen pictured on the flaming bill-boards will be spread before your eyes.

Proud, prancing horses and ponies will cavort about the sawdust rings. Elephants will stand on their heads; dogs will dive from the top of the tent and big man-eating lions and tigers will make the cold shivers chase up and down your back. Come!—horses, mules, goats and monkeys will tickle your laughing spot and dissolve your grousches.

### GETS HIT IN THE EYE WITH AN EASTER EGG

Los Angeles, April 13.—Struck in the eye by an Easter egg hurled by a friend, John Tallow applied at the Emergency hospital for aid. Surgeons extracted several pieces of purple shell.

### NOTICE TO CONTRACTORS.

Sealed bids will be received by the County Court of Marion County, Oregon, for the improvement of certain roads in Road District No. 23 near Sublimity, Oregon, by grading and mending the same, and the improvement of certain roads in Road District No. 52 near Salem, Oregon, by draining, grading and graveling the same, as will more fully appear by the plans and specifications of the same now on file in this office. All bids must be accompanied by a certified check of five per cent. (5 per cent.) of the amount of such bid and must be filed in this office on or before the 1st day of May 1914, at 1 o'clock p. m. The Court reserves the right to reject any or all bids.

MAX GEHLHAR,  
County Clerk.

It makes no difference what you want to do—there is a way to do it.

This strong bank makes it possible for you to acquire independence if you want it.

Here you can open an account with one dollar—and save small amounts. Make the present prepare for the future.

### UNITED STATES NATIONAL BANK of Salem, Oregon

### HART JOINS PROGRESSIVES.

Mansfield, Wash., April 13.—Following a speech on progressive doctrines by O. A. Hanson, Bull Moose candidate for United States senator, L. F. Hart, son of Lieutenant-Governor Hart, Republican, announced his affiliation with the Progressive party and may become a candidate for sheriff of Douglas county.
