FIGHT GAME GAINING GROUND IN WISCONSIN

Racine to Stage Next Lightweight Battle of Importance When Mandot Meets Marty McCue.

FRENCHMAN WILL TRY TO RETRIEVE FORMER DEFEAT

Joe Tinker Has Discovered a Second Ty Cobb—Except That the Prodigy Is Not a Heavy Hitter.

(By HAL SHERIDAN.)

New York, April 13.—The little city of Racine, out in Wisconsin, is getting into major league class as a fight town. Its next fight of importance is scheduled for Wednesday night between Joe Mandot of New Orleans, a former serious contender for the lightweight title, and Marty McCue.

Mandot is said to be in fine fettle and intends to fight a way again into the front ranks. Despite his defeat by Bud Anderson and Joe Rivers, Mandot still believes he is the kingly lightweight, and he disposes of McCue has announced his intention of challenging Rivers and is willing to make a side bet of \$5,000.

Tony Caponi, the Chicago middleweight, will swap punches in Indianapolis Wednesday night with Gus Christie. The match is a scheduled ten-round affair.

Federal league umpires received their uniforms today. During the spring and fall seasons, the Fed arbitrators will wear blue uniforms, but when the weather gets hot they will appear in suits made of crash material. President Gilmore says his staff is superior to those of the American and National leagues. Following is the list of assignments:

- Bush and Manassa, Buffalo at Baltimore.
- Anderson and Cross, Brooklyn at Pittsburgh.
- Brennan and McCormick, Indianapolis at St. Louis.
- Cusack and Kane, Chicago at Kansas City.

Isn't it remarkable that even San Francisco was chosen as one of the regional bank cities?

SACRAMENTO FANS PIN FAITH IN TEAM

Sacramento, Cal., April 13.—Sacramento fans are confident today that Harry Wolverton's team will be a Pacific coast pennant contender through out the season. Although the Senators dropped three games out of five played to the Beavers in the first series and could not get better than an even break with Oakland in the second series, the team had been plugging along with a busher at second base and with an outfielder who was not at all in condition.

With Kid Mohler showing his old-time form at second and with Bert Coy scheduled to join the Senators at Los Angeles tomorrow the Sacramento team will be materially strengthened. The Sacramento pitchers are going better than Wolverton expected. Slagle and Gregory have both shown an inclination to come back. Stroud and Klavitter are as good if not better than in 1913 and Recruit Hay Kremer in pitching like an old hand at the business.

The Senators were unable to find their batting optics until Saturday. Now they are hitting the ball hard and often, and Wolverton is confident that his Wolves will take most of the games on their three weeks' road trip.

SIX RECRUITS WEEDED FROM TIGER BANKS

Tacoma, Wash., April 13.—Manager McGinnity got busy with his good broad ax today and cut six players from the Tiger broad line. A number of the less promising recruits will also be snuffed within the next few days. Those who were given their unconditional releases: infielders Schwitzer and Calvin, Pitchers Williams and Reese and Catchers Kahman and Spauld.

CHICAGO FANS WELCOME TINKER'S FEDERAL HOME

Chicago, April 13.—Several thousand baseball fans, headed by a brass band, marched to the railroad station here today to welcome Joe Tinker and the members of the Chicago Federal league club, returning from their spring training camp. The club will open the season at Kansas City Wednesday.

The American League Season Will Open Here Tomorrow, with the Cleveland Naps Pitted Against the White Sox.

LEACH CROSS CLAIMS TO BE IN GOOD CONDITION

Los Angeles, Cal., April 13.—That Leach Cross is in better physical health than at any time in his ring career was the boastful claim of his friends today as the result of his six-round workout at Vernon yesterday, following his return from a brief mountain trip. Leach will begin routine training next Saturday for his 20-round match here April 25, with Freddie Welsh.

The New Yorker goes tomorrow to San Diego, where he will appear in an exhibition bout tomorrow evening. The following day he will go to San Francisco, to be at the ringside for the Murphy-Ritchie fracas Friday night.

Promoter Tom McCarley will head a big delegation of Los Angeles fans to the Coffroth battle ground.

In Outfielder Max Flack, Manager Joe Tinker of the Chicago Federals says he has picked up one of the great youngsters in the games. "He has everything," says Tinker, "that Ty Cobb ever had, with one possible exception—that of hitting. But Flack clouts the ball better than the average player."

However many costly new things a candidate favors, he is also in favor of lower taxes.

SEAL FANS PROUD OF HOWARD AGGREGATION

Calamity Howlers Now Sit Up and Proclaim, "I Told You So" With Team as League Leaders.

"STUB" PERNOLL ROUNDS INTO SHAPE AS A WINNER

Walter McCredie Says That the Team That Beats San Francisco Wins the Pennant.

SAN FRANCISCO, April 13.—With the Seals topping the procession in the Pacific coast league race, San Francisco fans were forced to admit today that Manager Del Howard has gathered together a likely bunch of ball tossers. When the followers of the game started "riding" the Seal boss during the opening week he requested that they reserve judgment for just one month. They did and the Howardsites are now riding in first place, just one-half game ahead of Venice.

McCredie's Beavers were expected to make the Seals exert themselves, but the latter walked away with the series to the tune of 5 to 1. The Seals outplayed the Portlanders at every angle of the game.

The thing most pleasing to Howard was the way his pitchers have rounded into shape, especially Pernoll. The port sider was released by Oakland last year after a poor season. He begged Howard for a chance, was taken on, and so far has been the Seals most consistent winner.

The fans also are supporting the local better than ever. There were fully 13,000 persons at yesterday afternoon's game, the crowds overflowing into left and center fields, making necessary grounds rules.

Before leaving for Portland to open the season there with the Oaks, Manager McCredie gave out the following statement:

"The club that beats the Seals will win the pennant. Although we have just experienced a bad week and are in next to last place, I believe my team will cop the flag. We will start climbing when we open the series with the Oaks at home, and don't be surprised if we make a clean sweep."

NICK WILLIAMS' COLTS END TRAINING SEASON

Play Last Exhibition Game With Negro Giants—Jamison, Grady and Fulton Released.

Portland, Or., April 13.—The Portland Northwestern league and the Chicago negro giants are scheduled to play at Chehalis this afternoon in the last exhibition game of the season. Before leaving for the north Manager Williams slipped blue envelopes to Pitchers Jamison, former U. of O. star, and Gray and First Baseman Fulton. Jamison, who is suffering from a sore left arm, will probably be taken again as soon as he rounds into condition.

Elmer Martinoni, a veteran pitcher, was also left behind to work the kinks out of his throwing arm. He will join the team soon.

Williams stated that Southpaw Stanley will probably pitch the opening game against Seattle tomorrow.

The Colts were defeated six to two Sunday by the Chicago negroes. Big Chief Batista pitched brilliantly for Portland, but his support was weird.

EDDIE M'GOORTY KNOCKS OUT AUSTRALIAN SMITH

Sydney, N. S., April 13.—Guy Smith of Australia was in the pugilistic discard today as a result of his knockout here yesterday by Eddie McGoorty of Oshkosh, Wis. The American middleweight put over the slumberland wallop in the tenth round of a scheduled 20-round bout.

Attorney Grant Corby is in Portland today looking after legal business. Atty in a bankruptcy suit recently brought in the federal court in Portland Corby is representing F. J. Lafland.

HARRIMAN CLUB WINS

Takes 6 to 5 Game From Penitentiary Team in Bain Yesterday—No Earned Runs Of Johnson.

Despite the fact that most of the game was played amid a downpour of rain, an exciting finish proved a due recompense to those who witnessed the match between the Harriman club, of Portland, and the team at the state penitentiary, which took place on the penitentiary grounds yesterday afternoon. It seemed that every "break" known to baseball went against the penitentiary. Not an earned run was made off Johnson, the pen pitcher. The wet condition of the field and the slippery ball caused him to lose his usual good control, which, coupled with various errors, allowed the Harriman club to pile up six runs in the nine innings. Twice during a dry spell the bases were filled, with no one out, and Johnston retired the next three batters. Catcher Griggs, Secondbaseman Kemp and the Indian chief played good ball for the pen, while Galvin, Hyland and Shina starred for the Harriman club. With the score 6 to 2 against them, the pen went to bat in the last of the ninth, and, with two on bases, Kemp pooled a home run, making a final score of 6 to 5. A three-bagger by Griggs was also a feature of the game. Another game, under different weather conditions, will be necessary to show the relative strength of the two teams.

EX "BUG" RUNS AMUCK

FORMER INMATE OF ASYLUM GIVES NURSES UNEASY HOUR WHILE UNDER INFLUENCE OF DRINK.

Nurses and officials at the Salem hospital were frightened last night, and this morning by H. McClure, a former patient at the asylum, who, in a drunken rage, threatened everyone in the vicinity. Day Officer Gaines this morning went to the hospital and found McClure located in the basement of the institution. When the officer asked the man what the trouble was, McClure said that the people at the hospital were trying to boss him about, and that he wouldn't stand for their treatment.

When taken before Judge Elgin, McClure denied that he had been drunk and disorderly at the hospital, and wanted to put up bail. Judge Elgin got in communication with the hospital authorities, and was told that McClure was liberated from the asylum a week ago and sent over to the hospital to work. It is said that the man left the hospital last Friday and was gone until last night, when he returned in a drunken state and started to abuse everyone with whom he came in contact about the place.

BUSINESS MEN'S GAMES AT Y.M.C.A. CLOSING

Business men of the city will meet this evening in the Y. M. C. A. gym between 5:30 and 6:30 for what is believed to be the climax of a series of biff-ball and volley-ball contests that have been extending over a period of four months. The business men's class of the Y. M. C. A. is divided into two teams of 30 men each to compete each Monday and Friday night for twelve consecutive class nights. Joe Albert, banker, and George Hatch, mail carrier, are the captains pitted against each other for this evening's contest.

Biff-ball among the business men has proven a great diversion, according to Physical Director Gingrich, on account of the fact that the game was invented here among them. One point in this contest is given for the team winning in biff-ball and one for the team winning in volley-ball, while 1/2 point is given for the team having the largest attendance at the games.

WILL SEND CONSIGNMENT OF CHINESE EGGS TO 'FRISCO

Seattle, Wash., April 13.—The biggest consignment of Chinese eggs ever imported into this country, consisting of 270,000 dozen, will be part of the cargo of the steamship Senator, which will sail from the Pacific Coast Steamship company's dock here Tuesday night for San Francisco. The eggs were brought across the Pacific from Hongkong aboard the Canadiana Pacific liner Empress of Russia, and were discharged at Vancouver, B. C. They will be taken aboard the Senator there.

NEW GUN CLUB FORMED WITH FORTY MEMBERS

Another gun club has been organized in Salem, composed of officers and employes of the penitentiary, asylum and state house. The club has purchased a modern automatic trap and has about 40 members. Shoots will be held east of the prison just as soon as the weather clears up. Some warm contests are looked forward to in view of the fact that there are many expert rifle and shotgun marksmen in the club.
