SALEM ELKS FEAST AND MAKE MERRY AT HALL

Annual Home Coming Attended by Brothers Elks From All Over the State.

PROVIDE ENTERTAINMENT FOR VISITING BROTHERS

Elaborate Musical Program Rendered and Many Speeches Are Heard by Members.

The Elk's hall was crowded with both Salem and visiting members of the order last night at the homecoming meeting and the local members did themselves proud in getting up what was voted to have been the finest program arranged here for many a day.

Brother Elks from all over the state came home for the special purpose of meeting Salem members of the lodge and many old cronies shook hands over the banquet table after the entertainment. The Salem lodge has the reputation of being the best entertainer in the country and the efforts of the members last night was no exception to the rule.

Fine Entertainment. The committee on arrangements did not overlook a thing which would tend to entertain the crowd. Many solos were rendered which brought the members to their feet while Herbert L. Stiff, one of Salem's talented young men, entertained the guests with a trombone solo and Messrs. Kurth and Pinney each gave a cornet solo.

The toast-master of the evening was Judge C. L. McNary and the following members made brief talks: M. L. Meyers, exalted ruler, "Welcome"; Frank T. Wrightman, "Home Coming"; W. Carlton Smith, "What Elkism Means"; R. A. Watson, story; August Hucklestein, past exalted ruler; W. R. McWilliams, colored stories; Judge P. H. D'Arcy, "Our Eighteenth Birthday"; S. M. Endicott, "Our Affiliated Members"; Charles V. Galloway, "Eleven O'Clock Toast."

First Ruler Present.

John Knight, who is practically the father of the Salem lodge of the B. P. O. E., and who is now a resident of Portland, was present at the homecoming. Mr. Knight was the first exalted ruler of the local order and he who took the first steps toward bringing about the organization of the lodge in Salem.

Following the entertainment, Milton L. Meyers, present Exalted Ruler, presented Mr. Knight with a beautifully engraved silver card-case. Mr. Meyers made the presentation with a well timed address and the recipient of the gift was greatly touched by the unexpected and brotherly token of esteem shown by the Salem brothers.

TO DARKEN HAIR APPLY SAGE TEA

A few applications of Sage Tea and Sulphur brings back its vigor, color, gloss and thickness.

Common garden sage brewed into a heavy tea with sulphur and alcohol added, will turn gray, a streaked and faded hair beautifully dark and luxuriant, remove every bit of dandruff, stop scalp itching and falling hair. Just a few applications will prove a revelation if your hair is fading, gray or dry, scraggly and thin. Mixing the Sage Tea and Sulphur recipe at home, though is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle at drug stores, known as "Wyeth's Sage and Sulphur Hair Remedy," thus avoiding a lot of fuss.

While wispy, gray, faded hair is not stylish, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur, no one can tell, because it does so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant. Local agent, J. C. Perry.

VETERANS OF BALKAN WARS WOULD SERVE

Hoquiam, Wash., April 24.—Anxious to serve the flag of their adoption, 100 Greeks, practically all veterans of the Balkan wars, have applied today for enlistment in the United States army. They were greatly disappointed when told they would have to take out their first papers, and learn to read and write. All announced that they would take out citizenship papers immediately and employ tutors to overcome the obstacle.

Weak Lungs Often Lead to Serious Illness

If you have weak lungs, you are generally subject to colds or throat trouble and easily susceptible to serious lung trouble. In many cases pneumonia or bronchial trouble leaves the lungs in a much weakened condition. Eckman's Alternative is a medicine for the throat and lungs which has been found to be very beneficial, even when a change of climate and other treatments failed to bring relief. Read this case:

231 S. Atlantic Avenue, Haddonfield, N. J.

"Gentlemen: In the fall of 1903 I contracted a very severe cold which settled on my lungs. At last I began to raise sputum and my physician told me I must go to California immediately. At this time I was advised to take Eckman's Alternative. I stayed at home and commenced taking it the last week in October. I began to improve, and the first week in January, 1906 I resumed my regular occupation, having gained 25 pounds, fully restored to health. It is now seven years since my recovery has been effected, and I cannot praise Eckman's Alternative too highly. (Signed) W. M. TATEM. (Above abbreviated; more on request.)

Eckman's Alternative has been proven by many years' test to be the most efficacious for severe throat and lung affections, bronchitis, asthma, stubborn colds and in upbuilding the system. Contains no narcotics, poisons or habit-forming drugs. Ask for booklet telling of recoveries and write to Eckman Laboratory, Philadelphia, Pa., for evidence. For sale by leading druggists.

CHINESE MERCHANT IS A VOLUNTEER F. G. MAR, OF STOCKTON, DESIRES TO REPAY THE UNITED STATES FOR PROTECTION.

Stockton, Cal., April 24.—F. G. Mar, a Stockton Chinese merchant, volunteered his services to the United States today in case of war with Mexico. Mar is a naturalized citizen of Idaho. Last night he wired Governor Haines, at Boise, as follows: "I hasten to offer my services to my home state, should you issue a call for volunteers to defend this country against Mexico. I am known here by my Chinese name, F. G. Mar. I desire to repay the obligation I owe to this country for my education and protection.—Frank G. Lewis." Discussing the message, Mar said: "The governor knows me, for I used to be court interpreter in immigration matters at Boise. I see by the papers that the governor may issue a call. I want to offer my services to my state. This Mexican trouble won't last long. The United States will settle it quickly."

AUTO THIEVES GET TEN YEARS

Los Angeles, April 24.—Ten years each in San Quentin prison was the sentence imposed today on Lloyd McGinnis and Roy Perrier, who stole an automobile for a drive to San Francisco.

ATTACK ON VERA CRUZ

(Continued from page one.)

veston, crowded with American refugees. Though there was still an occasional shot fired at a bluejacket or marine in the streets here, the Americans were getting Vera Cruz pretty well in hand today. The marines were cleaning up the city as rapidly as possible. It needed it badly. The bodies of the dead Mexicans were cremated. The house to house search for arms continued with now and then an arrest. Among the prisoners was a priest, who, when arrested, dropped on his knees protesting his innocence and then began to pray. The battleship Mississippi had arrived with another detachment of marines and an aeroplane, which will be used shortly to learn more of the position of the Mexican force under General Masas fifteen miles inland. Some men acquire wisdom with increasing age, but Coxy seems to have grown "fooler."
