BEAVERS BREAK EVEN IN SERIES WITH SEALS

McGredie Looks for Better Results When Club Hits Warm Weather of South.

KRAUSE BREAKS WINNING STREAK OF "BUD" FERNOLL

Larry Page, Former Red Sox Twirler, May Report to McGredie at Los Angeles.

Portland, May 4.—Although the Portland club managed only to break even with the San Francisco visitors last week, the team play of the club was a great improvement over that of the two preceding weeks and Manager McGredie went away satisfied that his champions will begin to act like the champions of old when they strike the warm weather in California for the next three weeks.

Although Hi West, Mac's star pitcher, has been losing enough games to cause concern, he has two dropped this week were of the "hard luck" variety, because his mates made few runs behind his good twirling. Harry Krause was able to break the winning streak of Henry Fernoll, of the Seals, who stubbed his toe on his ninth start and was batted out of the box in Saturday's game.

McGredie is hopeful that Pitcher Larry Page, formerly of the Boston Red Sox, will report to him at Los Angeles this week. He also expects to be strengthened by the addition of Pitchers Harry Gaxino or Heiger of St. Paul and Catcher Yantz of the Cleveland American association club.

Manager Del Howard of the Seals started before his club left for Sacramento that Pitcher Barham, who was drafted from Victoria by Cincinnati and given a trial this spring, had left Cincinnati for Sacramento Saturday morning to join the Seals. He was the man Howard claimed in the major league turban of drafted players.

Howard stated that he would keep all the players he has at present on his club which spikes the rumor that Walker Cartwright would be sent to Victoria. There will be no cutting down until June 1, when the player limit ruling goes into effect.

VENICE PASSES SEALS

ANGELS DISAPPOINT FANS AT HOME BY RECENT SLUMP IN PLAYING.

Los Angeles, May 4.—Los Angeles fans hardly know whether to rejoice or weep today as the result of last week's play in the Coast League. Venice, the result of consistent work, crowded past San Francisco and into the lead, while the Angels just as consistently continued to drop their games, and fell to fourth place. With four games in five on the Tigers' side of the series, the clubs were to meet today in a postponed game.

The Angels were a distinct disappointment to the home fans all week. The alibi provided by injuries to the club was not sufficient to excuse the ship shod work of the players. They slumped through their work generally. The Tigers leave tonight for San Francisco to meet the Oaks. Portland was scheduled to fatten at the expense of Berry's club.

WOLVES COP 5 OUT OF 7

OAKS CROWDED BACK INTO THE CELLAR AFTER SERIES WITH SACRAMENTO.

San Francisco, May 4.—Sacramento proved a frightful stumbling block for the Oaks last week. The Wolves are home today with the pleasant sensation of having copped five out of the seven games played on the club is now reposing in third place with a comfortable lead over Los Angeles.

Oakland climbed out of the cellar after its series with San Francisco week before last, only to be shoved back again after clashing with Sacramento. Kid Mohler, the western infielder, aided largely in the victories of the Wolves. His batting was the sensation of the week, and he capped about second base like a youngster, securing double plays with the ease and speed of a Johnny Evers. Mohler's two bagger was responsible for the Wolves annexing the afternoon game yesterday after the Oaks had won in the morning.

The Wolves not only out batted the Oaks but they played rings around them at every angle of the game. All of the Oak pitchers looked alike to Wolverton's men, and as a result the club's batting average was boosted materially. Sacramento will clash with San Francisco at Sacramento this week, while Venice and Oakland will meet in San Francisco. Portland makes the long jump to Los Angeles for this week mix with Dillon's Angels.

WILL TEACH "GIANTS" WITH PICTURE MACHINE

Manager McGraw Will Point Out Defects in Base-running to His Men.

FEDERAL LEAGUE DRAWS CROWDS FROM REGULARS

Mordcael Brown's St. Louis Team Begins to Loom Up as a Pennant Winner.

New York, May 4.—Arrangements to install a picture projection machine in the club house at the Polo grounds, where the members of the New York Giants will be given instructions and tips as to possible improvements in their play, have been completed by Manager McGraw. He intends to point out to his men any defects in their play, such as too wide turning of bases, slowness in getting away from the plate, swinging too slowly at the ball and not taking proper advantage of a pitcher's long windup to get a good start for the next base.

Otto Knabes' Baltimore Federal league team is taking all the patronage away from Jack Dunn's Orioles. On the opening day at Oriole park Dunn's team drew but 1,200 persons. Thirty thousand turned out to see the Federals play on their opening day.

A big surprise in baseball circles is the way Mordcael Brown's St. Louis Federals are holding their place at the top of the outlaw ladder. Baseball critics had generally regarded Baltimore as the strongest club in the new league, but they now admit that the team that wins the pennant will have to reckon with the "Buds." The club, too, is drawing like a house on fire. Saturday the park was crowded to capacity, while the Browns and Chicago White Sox played to less than 3,500 spectators.

Despite the competition of the Federals, it now begins to look like the Brooklyn Nationals will have an unusually profitable season. This is largely due to the popularity of Wilbert Robinson and the fact that his men are playing a good article of ball. Robby has installed a lot of pep and ginger into their work.

Charlie Herzog also has steamed up the Cincinnati Reds wonderfully. Until his club tackled the Pittsburgh Pirates on the latter's home grounds they had been going great guns. Earl Yngling, the former Brooklyn twirler, is one of Herzog's most consistent winners.

Fielder Jack Knight of the Cleveland Naps has been released to the Cleveland American Association team. He will take the place of Second Baseman Gardner, who recently broke a finger.

RECORDS ARE SMASHED

BEESON CLEARS BAR AT 6 FEET 7 5/16 INCHES—COAST RECORD IN TWO MILE BROKEN.

San Francisco, Cal., May 3.—A world's record was broken and another world's mark was tied at the Pacific Coast Conference track and field meet at the Oval yesterday.

Edie Beeson of the Olympic club cleared the bar at 6 feet 7 5/16 inches in the high jump and broke the former mark of 6 feet 7 inches, held by George Horine, formerly of Stanford.

Beeson's great jump was made in a special high jumping contest, put on by the conference managers to give Horine, who now also belongs to the Olympic club, and Beeson a chance to better the existing mark. Both warmed up in good style at the lower heights and the bar was set for the record. Beeson cleared it by the closest possible margin, the bar wobbling considerably after he had landed in the sawdust, but it stayed on the pins.

One of the first to congratulate Beeson was Horine, who had just seen his own record shoved into oblivion.

Fred Kelly tied the world's record of 15 seconds for the 120 yards high hurdles, held jointly by himself and Forrest Smithson.

The coast record for the two mile race was broken twice. Guy Hobgood of Oregon Agricultural college covered the distance in 9 minutes and 37.15 seconds, breaking Harry Wood's mark of 9:42.35, and later in the afternoon, Oliver Millard of the Olympic club, in a special race, cut three and a fifth seconds off that figure by running in 9:34.

Howard Drew, the sensational sprinter of the University of California, ran away from a fast field in the hundred and won by four yards from McKee of Stanford in 9.45 seconds.

EVERY BODY PICKS ON "ME" WALLS CHAMPION

San Francisco, May 4.—"Every body's picking on me," was the plaint here today of Willie Ritchie, lightweight champion of the world.

The champion was much perturbed over a dispatch from Chicago which said that he wanted a big percentage of the gate receipts in his proposed match in Milwaukee with Charlie White and also a cut of the percentage that was to be saved for White.

"I never made any demand like that in my life," said Ritchie. "I merely wired Promoter Tom Andrews that I would box White ten rounds for a guarantee of \$10,000, with the option of 50 per cent of the receipts. I still stand ready to sign up with White if Andrews accepts these terms."

"I am being misrepresented all along the line. First the hammers start pounding when I released Harry Foley as my manager to give my brother work, and then they begin all over again on a false report from Chicago."

Washington, May 4.—The United States supreme court adjourned today without deciding any of the pending important railroad cases before it.

WILLAMETTE IS SHUT OUT

Salem High Defeats Columbia in Pretty Contest; Tennis Tourny, Part of Homecoming, Unfinished.

Willamette University, Salem, Or., May 2.—The second of old Willamette's homecoming days was taken up with manual labor on the campus, baseball games and a tennis tournament. Nearly every student worked in the morning and enjoyed a big chicken dinner at noon.

The tennis tournament between the different classes was not finished and will be played off the coming week.

The Salem High School defeated Columbia University of Portland 2 to 1 in a pretty baseball game. Keene, the Salem High pitcher, struck out 18 players. Both teams played high-grade ball.

The big game between the University of Oregon and Willamette was won by the visitors 5 to 0. The game was far better than the score would indicate, errors by Willamette giving the State University boys four runs in the fourth inning and one in the eighth. Oregon did not earn a run. The crowd was the largest ever seen at a college game here. Willamette supporters are encouraged over the showing of their team, as but three of the men ever played in a college baseball game before.

For Oregon, Tuerck, Bigbee, Fenton and Cornell played strong ball and for Willamette, Doane, Homan, Peffer, Small and Lund excelled. Score: Oregon.....0 0 0 4 0 0 1 0 -5
Willamette.....0 0 0 0 0 0 0 0 -0
Batteries—Oregon, Tuerck and Motts; backer; Willamette, Peffer and Doane.

The tug race between the academy classes was won by the fourth-year class, while the tug-of-war between the freshmen and sophomore teams was a tie.

The festivities closed with a big junior prom in the gymnasium, which was largely attended.

ITCHY SALT RHEUM

Sometimes Called Eczema—Removed by Hood's Sarsaparilla.

Salt rheum is one of the worst and unfortunately one of the most common of all diseases. How it reddens the skin, itches, oozes, dries and scales, and then does this all over again! Sometimes it covers the whole body with inflamed, burning patches and causes intense suffering.

Salt rheum comes from humors in the blood. This is why local applications do so little good. It will continue to exist, annoy, pain and perhaps agonize, until these humors have been removed.

Ask your druggist for Hood's Sarsaparilla. It goes to the source of the trouble. It cleanses the blood of the humors that cause salt rheum. It has given perfect satisfaction in thousands of cases. Get it today.

CHAUTAUQUA

Six Big Days

June 29--July 4

For Manly Men

We have purposely made up a tobacco to appeal to the strong, vigorous man who wants full flavor and fragrance combined with natural sweetness in his smoke or chew. This tobacco is DIXIE QUEEN. It is designed especially to satisfy the tobacco-hungry man. It fills the bill.

Firemen, policemen, out-of-doors men, two-fisted men in general, all say DIXIE QUEEN satisfies. Once they start using DIXIE QUEEN they cannot get the same satisfaction out of any other brand.

DIXIE QUEEN

Plug Cut Tobacco

has character to it. That's why it appeals to and pleases these men of sturdy character.

DIXIE QUEEN is made from pure old Burley leaf, aged for three to five years, so as to bring out slowly and naturally all the juicy mellowness and richness of the tobacco. That's why its quality never varies—and that's why hurried-up, hashed-up tobaccos can't compare with DIXIE QUEEN.

A pipeful of DIXIE QUEEN lasts, because it is slow burning Plug Cut. A long-time chew because the flavor's all through it.

Sold everywhere in convenient 5c foil packages—also in 10c pouches and 50c lunch boxes.
