Despite the fact that politics has grip on the local public today, business dwindled not in the least. I anything the Salem merchants wer husier than ever and there were good nized crowds on the streets this after

According to the farmers of Marion county who were seen on the street, today, agricultural work is taking up the time of everyons out of the towns at present, and Mother Nature is ex-tending such favors as to compel the farmer to get in and hustle in orde to keep up with the ever-growing weed. Localities Encouraged.

It is doubtful if there is a section of country in the whole United States to widely talked about than Salem and the Willamette Valley at present. The tourist is not great through here by no means, but at the same time some of the most prominent capitalists in th ast have stopped off here this week John C. Tolls, a leading lumberman of Augusta, Maine, was in the city last

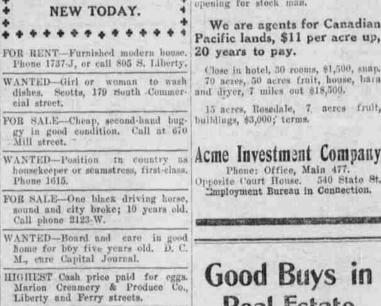

Wednesday, having stopped off here to look around before resuming his sight-seeing trip through the extre southern states. This is what Mr. Tolls said about Salem: "Undoubted Khaki clothing is almost a necessity if you are planning on an and without question you people of Salem certainly have a beautiful and

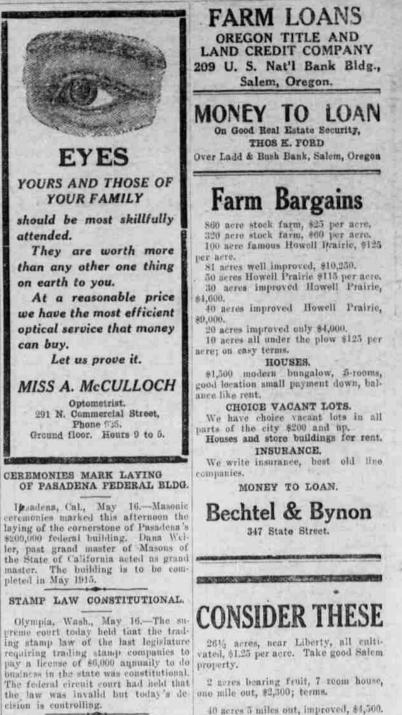

progressive city. Salem, in my min outing trip this summer. You'll find neat garments here, well should be made a city of perhaps 56,000 people within the next five or ten venrs. You have every advantage that made of good quality khaki cloth. Nifty looking khaki Coats, Nora growing city could wish for, and I can see no reason why the capital of folk style, \$3.00 each.
