Made up to a Standard —not down to a price

We make the best gasoline that our experience and resources enable us to produce. The quality of the gasoline determines its price—not the price its quality.

RED CROWN

The Gasoline of Quality

That is why Red Crown may cost you a little more per gallon—also why it costs you less per mile. Red Crown is a product of the best California Crude, distilled and re-distilled—a product of straight refining—not a "mixture".

Red Crown signs are furnished to all dealers handling Red Crown gasoline.

Watch for the sign or ask our nearest agency about delivery in bulk.
