### A PERFECT CATHARTIC.

This is sure and wholesome action in every dose of Foley Cathartic Tablets. They cleanse with never a gripe or pain. P. A. Morgan, Gore, Ga., writes: "I lately had occasion to use a liver medicine, and took Foley Cathartic Tablets. They thoroughly cleansed my system, and I felt like a new man—light and free." Chronic cases of constipation find them invaluable. Stout people are relieved of that bloated, congested feeling, so uncomfortable, especially in hot weather. They keep your liver busy. J. C. Perry.

Enases Torment or Asthma and Hay Fever.  
The retreat of Davis will, perhaps, develop more of interest than any of the criminal cases. Prosecuting Attorney Sibley, who assisted in the first trial with Attorney Upjohn, will no doubt present a stronger case against the accused Ballston murderer than the defense can expect. Davis will need to stand on the original charge of murder in the second degree, the maximum penalty being sentence for life.

The grand jury will convene on July 30th, and it is expected that those now awaiting their action will be greeted with indictments charging theft or larceny—Observer.

### YOUTH IS SUSPECTED.

Sheriff John Grant has notified sheriffs of adjoining counties to have an eye out for a 19-year-old youth, who is suspected of having stolen a horse from L. D. Redding of Independence and then taken back same and tail, and when taken had a Cheyenne saddle buckled on it. A search is being instituted for the fleeing horse thief—Polk County Observer.

## Things Doing in Oregon

As Told by Our Exchanges

### Will Can Tomatoes.

(Medford Sun.)  
Packing of the early fruit and canning of tomatoes will be in full swing by August 1. Each day a few more people arrive to be on hand when the season starts, each day business conditions are improving and not since last fall have the streets been as crowded as they have been the past week.

### The Bartlett Crop.

The Bartlett crop will be harvested first and according to orchardists will be heavier than first expected. Samuel Rosenberg, who recently returned from Seattle, states that he has a banner crop and that it is free from disease. The pear crop of the valley will probably command a good price.

### Waiting for Beans.

(Corvallis Gazette-Times.)  
The Corvallis cannery is now clearing up and getting everything in readiness for a big run on beans, which will commence as soon as the crop is ready to pick.

### Analysis of the Lime.

An analysis of the lime shows that it tests better than 85 per cent of calcium carbonate, making of it an ideal lime.

### Find Big Lime Deposit.

(Tillamook Herald.)  
Lime, thousands of tons of it, which will mean increased crops and increased profits for the farmers of Tillamook county will soon be available for fertilizing purposes.

### Teachers' Salaries.

That \$51,129.98 was paid in salaries to teachers of Klamath county, exclusive of high school teachers, last term is the most important item in the annual report of County School Superintendent Fred Peterson for the year ending June 15, 1914, just issued. The average monthly salary paid to male teachers was \$165.82 and to female teachers \$73.80. These figures do not include high school instructors, but had their salaries been included the average for men teachers would have been \$115.00 and for women \$78.80.
