Many a man's self-conceit is due to ignorance.

Children Cry FOR FLETCHER'S CASTORIA

If a man has sense his dollars will take care of themselves.

Costly Treatment. "I was troubled with constipation and indigestion and spent hundreds of dollars for medicine and treatment," writes C. H. Hines, of Whitlow, Ark. "I went to a St. Louis hospital, also to a hospital in New Orleans, but no cure was effected. On returning home I began taking Chamberlain's Tablets, and worked right along. I used them for some time and am now all right." Sold by all dealers.

Experience would fail as a teacher in a correspondence school.

Children Cry FOR FLETCHER'S CASTORIA

Some men like to talk because it requires no previous thought.

How the Trouble Starts. Constipation is the cause of many ailments and disorders that make life miserable. Take Chamberlain's Tablets, keep your bowels regular and you will avoid these diseases. For sale by all dealers.

The world usually sides with the man who makes a noise like ready money.

Children Cry FOR FLETCHER'S CASTORIA

Never is truth more eloquent than when it is sure it can afford to be silent.

Remarkable Cure of Dysentery. "I was attacked with dysentery about July 15th, and used the doctor's medicine and other remedies with no relief, only getting worse all the time. I was unable to do anything and my weight dropped from 145 to 125 pounds. I suffered for about two months when I was advised to use Chamberlain's Colic, Cholera and Diarrhoea Remedy. I used two bottles of it and it gave me permanent relief," writes B. W. Hill of Snow Hill, N. C. For sale by all dealers.

Americans carry twice as much insurance as all the rest of the world combined.

W. T. Greene, Hopkinton, N. H., writes the following letter, which will interest every one who has kidney trouble. "For over a year, Mr. Greene had been afflicted with a very stubborn kidney trouble. An operation was advised. This I would not consent to. Foley Kidney Pills done more to complete my recovery than any medicine she has taken and I feel it my duty to recommend Foley Kidney Pills to all who need kidney medicine." They are tonic in action, quick to give good results.

Some casualties lose out because they are unknown and some because they are too well known.

Good Reason for His Enthusiasm. When a man has suffered for several days with colic, diarrhoea or other form of bowel complaint and is then cured and well by one or two doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy, as is often the case, it is but natural that he should be enthusiastic in his praise of the remedy, and especially in this case of a severe attack when life is threatened. Try it when in need of such a remedy. It never fails. Sold by all dealers.

The fellow who continually grunts about hard luck usually makes that a life story.

"Stay-at-Home" Sufferers of Hay Fever and Asthma—Get a Bottle of Foley's Honey and Tar Compound. Restful sleep, relief and comfort from choking, gasping asthma and tormenting hay fever for those who take Foley's Honey and Tar. And besides, it spreads a healing soothing coating as it glides down a raw tickling throat, stops irritating coughs and summer colds. Don't suffer when you can buy relief for so little cost. Remember the name—Foley's Honey and Tar Compound and refuse substitutes.

The new wireless station at Fort Myer, near Washington, D. C., has a range of more than 5000 miles.

CITROLAX! CITROLAX! It's a laxative, of course—name tells you that. And the nicest hot weather drink you ever tasted. Flushes thoroughly, and pleasantly, too. F. C. Cryer, Syracuse, N. Y., says: "Have used laxative for 15 years but this Citrolax has got everything else beat a mile." You will agree with him. Especially nice for children and delicate persons. Sweetens a sour bilious stomach very quickly and stops headache.

Keep Your Liver Active During the Summer Months—Foley's Cathartic Tablets for Sluggish Liver and Constipation.

It does beat all how quickly Foley's Cathartic Tablets live your liver and overcome constipation. Ney Oldham, Wimberley, Texas, says: "Foley's Cathartic Tablets are the best laxative I ever used. They take the place of calomel." Wholesome, stirring and cleansing. No griping. A comfort to stout persons, as they relieve that full bloated feeling.

MINNESOTA NEEDS HARVEST HANDS

St. Paul, Minn., Aug. 13.—Harvesting wheat in Minnesota "the bread basket of the world," gives promise of the greatest crop since the famous crop of 1895, according to experts. No wheat has been cut aside from the small percent of winter wheat sown, but a great deal of winter rye and barley is being harvested. The rye crop is an average one, there being some exceptionally good fields. The barley crop is better than the average. Early barley this year appears better than the late sown barley, this being the reverse of the usual condition. Some damage from rust between St. Paul and Aberdeen was reported today by C. P. Bull, agronomist of the University of Minnesota college of agriculture. A party from Crookston took a 100-mile automobile trip from Crookston and reported finding no rust.

While there are a few cases of slipshod, haphazard farming throughout Minnesota the cases are exceptional. The average farmer in Minnesota is imbued with principles of scientific farming, as well as with the hope some day to become a landowner of considerable magnitude—a thing not at all impossible—and few hope this year failed to make every acre pay.

Considerable apprehension exists that the supply of harvest and threshing help will not be sufficient to meet demands. The usual influx of thousands of men is smaller this year, probably due to alleged untrue statements previously made. The lack of a crop in Canada, is, however, considered encouraging so far as the supply of harvest hands is concerned.

WANTS NO MARRIAGE ALLOWED AFTER DARK Clayton, Mo., Aug. 13.—"No more marriage licenses in Clayton after dark." That is one of the planks in the platform of John S. McNulty, candidate for the democratic nomination for recorder of deeds of St. Louis county. His announcement has caused a near panic among his appointments who fear that the town of Clayton will sink into oblivion if he is nominated and elected.

Clayton is known in St. Louis largely as the haven of elopers and old residents dislike the prospects of losing their chief source of entertainment and publicity.

AGED DOG DRIVER PAYS VISIT TO MEDFORD

L. Spikes, 83 years old, for years a miner and dog driver in Alaska, spent Sunday in Medford en route to southern California where he will spend the remainder of his life. Mr. Spikes is retiring after 60 years of struggle in the wildest and most remote parts of North America. He wandered to northern Alaska at an early date and for 25 years drove a dog team. During this period he encountered many accidents, some of a very strange nature. He tells of being lost for 12 days and having nothing to eat save hard tack and raw meat.

After a quarter of a century of dog driving he took to mining and according to himself was one of the first to rob the soil of its riches north of the city of Nome.

"I have been paid for my struggle," said Mr. Spikes, "and am now going to retire and enjoy all the comforts this world gives."

HARD HEARTED THIEF STOLE MEREDITH'S COMFORT

Considering the present state of the weather, Frank Meredith, secretary of the state fair board, believes that the meanest man in the world is the one who stole the electric fans from the office at the fair grounds. The office of the secretary is located in the south wing at the entrance and in the afternoon Mr. Meredith says that the electric fans are badly needed. The thieves entered the office while it was closed for the winter and took besides the two electric fans, all of the electric fixtures that were removable and raided the official key rack of the fair grounds.

At present there is nothing in any of the buildings that might be of advantage to any one having free entrance but Mr. Meredith wishes to register the request that the keys be returned at least one week before fair time. The electric fans he needs right now.
