GRANTS PASS WATER RATES ARE RAISED

A general increase of three per cent in the rates of the Bogus River Water company at Grants Pass was authorized by an order of the railroad commission today. The net income for the company has been on the decrease for the last year on account of the increase in the cost of maintenance and the net proceeds of the company were held to be insufficient for the amount of capital invested.

The commission made out a complete new schedule of rates and tariffs for the company and the order will go into effect November 1 of this year. All ordinances of the city of Grants Pass which conflict with the order of the commission were held to be ineffective by the commission.

Silverman, one of the proprietors of the Burke shoe store on North Commercial, was thrown to the pavement with such force that a blood vessel in his ankle burst and he was injured about the back and chest to such an extent that he will probably be confined to his bed for several weeks. Dr. Clay and Byrd were called to attend him.

The car was stopped, but while he was in the act of alighting he says the motorman started it again without a signal from the conductor, with the result that he was thrown. He was immediately picked up and taken into the Burke shoe store and later taken to the Argo hotel, where he lives while in Salem. His home is in Portland and he is in the city conducting a special shoe sale.

DALLAS COURT ACTS IN THE BOWERS CASE

Dallas, Ore., Oct. 2.—Judge Teal, in the juvenile court of Polk county, has awarded the custody of Marion Bowers, aged 4 years, to Mr. and Mrs. M. B. Grant, of Dallas, who have had the care of the child for the past 10 months. A conflict of jurisdiction arose between the juvenile courts of Multnomah and Polk counties last Friday, when the case was called here, in which the mother of the child, a resident of Portland, attempted to secure the little one. The little girl had been declared a "dependent child" by the Multnomah county juvenile court and later by the juvenile court of Polk county, because of the alleged immoral character and neglect of the mother. The case may be appealed to the supreme court to get a decision on the question of jurisdiction.

TRIP TO EXPOSITION STIRS THE VOTERS

The State Fair Temporarily Checks Voting But the Interest Is Increasing Daily

There was no change in the relative standing of the leading candidates in the Capital Journal's exposition contest when the votes were counted this morning. Pearl Zinn leads, with Jean McInturff second, Mrs. Grace Hibbler third, and Mildred Atherton, Ruth Fugate, Margaret White and Beryl Needham following in the order named.

A fairly heavy vote had been cast since the count was made last Tuesday, but more coupons than ever have been issued that have not yet found their way into the ballot box. Interest is growing daily, as attested by the number of trade checks which are being brought into the business office to be exchanged for vote coupons.

The trip to the great exposition with its wealth of world-wide wonders, will be the event of a lifetime for the fortunate winner, and the Capital Journal guarantees that no expense will be spared in making it a pleasant one. First class railroad fare, the best of hotel accommodations, and facilities for seeing the great fair at its best will be provided free of all charge by this paper. It will be a prize well worth working for.

The plan adopted by this paper for giving the trip does not require the contestant to sell anything. The only thing necessary to secure votes being to procure some of Salem's most popular stores. The advertisements of these firms is run in each Friday's Capital Journal. These firms have agreed to give a sales check or receipt to every purchaser for cash or for monthly bills paid until January 1, 1915. The sales checks or receipts from these firms may be exchanged for votes at this office—one vote for every 5 cents of your purchase.

The names and standing of the candidates follow:

GRAY HAIR BECOMES DARK, THICK, GLOSSY

Look Years Younger! Try Grandma's Recipe of Sage and Sulphur and Nobody Will Know

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray; also ends dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Hair Remedy." You will get a large bottle for about 50 cents. Everybody uses this old, famous recipe, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after an application or two, your hair becomes luxuriantly dark, thick and glossy, and you look years younger. J. C. Perry, local agent.

MAY MOVE CAPITAL Vienna, via Rome, Oct. 2.—Anticipating a Russian siege of Vienna, the emperor and his cabinet decided this afternoon to move the capital temporarily to Prague. The date of removal was not determined; it would be ordered, it was said, as soon as it became evident the Russians were marching on Vienna. The military council ordered the immediate fortification of the city's suburbs.

10,000 SIGN ALBEE RECALL PETITIONS

Portland, Ore., Oct. 2.—Three petitions, containing 10,000 names, were filed with City Auditor Barbee this morning demanding the recall of Mayor R. R. Albee and City Commissioners Dick and Brewster. The election must be held, according to law, within 20 days, and the work of checking the names was begun immediately. No specific instances of malfeasance are mentioned, general unfitness for office being charged.

"GETS-IT," 2 Drops Corn Vanishes!

The Only Sure End of All Corns. Desperate, are you, over trying to get rid of corns? Quit using old formulas under new names, bandages, wind-up tapes and cotton rings that make a fat little package out of your toe.

This is the Grip of the Hammer, Careless Footwear of "GETS-IT."

Quit punishing your feet by using toe-cutting knives and instruments. To use knives, files, saws and razors, slicing and hacking at a corn, only make it grow faster and bigger. It also brings danger of bleeding and blood poison. The new way, the new principle never known before in corn history, is "GETS-IT." It's a liquid—2 drops on a corn does the work. Pain goes, the corn begins to shrivel and out it comes! You apply it in two seconds. Nothing to stick, nothing to hurt, and it never fails. Try "GETS-IT" tonight on corns, calluses, warts or bunions. "GETS-IT" is sold by druggists everywhere, 25c a bottle, or sent direct by E. Lawrence & Co., Chicago.

FEATURE OF EVENING WAS PIONEER DANCE

The rain last evening drove the state fair visitors under shelter and the auditorium, both at the pavilion and at educational building, were crowded. The Coos Bay Concert band gave another of its popular concerts in the pavilion and a live company of University of Oregon students provided an excellent entertainment at the educational building. The old fashioned one ring circus also played to a large crowd. Out on the old camp grounds the pioneers and their younger generations found amusement at the tented hall where the old square dance was the main attraction.
