

WOMAN IN BAD CONDITION

Restored To Health by Lydia E. Pinkham's Vegetable Compound.

Montpelier, Vt.—"We have great faith in your remedies. I was very irregular and was tired and sleepy all the time, would have cold chills, and my hands and feet would be cold. My stomach bothered me, I had pain in my side and a bad headache most of the time. Lydia E. Pinkham's Vegetable Compound has done me lots of good and I now feel fine. I am regular, my stomach is better and my pains have all left me. You can use my name if you like. I am proud of what your remedies have done for me."—Mrs. MARY GAUTHIER, 21 Ridge St., Montpelier, Vt.

An Honest Dependable Medicine

It must be admitted by every fair-minded, intelligent person, that a medicine could not live and grow in popularity for nearly forty years, and to-day hold a record for thousands upon thousands of actual cures, as has Lydia E. Pinkham's Vegetable Compound, without possessing great virtue and actual worth. Such medicines must be looked upon and termed both standard and dependable by every thinking person.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co., (Confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

FARMHOUSE BURNS.

The farmhouse on the old Will place on the railroad between Aurora and Barlow was destroyed by fire Tuesday night about 10 o'clock. It is believed that it was fired by hobos as there was no one living in the house. Tramps are known to have slept there recently. The loss is about \$1500, with no insurance.—Observer.

ENDICOTT IS FOUND NOT GUILTY; ARRESTED AGAIN

Charles Endicott, of Harrisburg, was found not guilty by a jury in the circuit court yesterday of the charge of obtaining money under false pretenses, but was arrested immediately afterward upon a warrant from Salem on the same charge and is now in the county jail. An officer will arrive here today to take him to the Capital City for trial.

Endicott is quite well known in this part of the valley and has been engaged in raising and buying hogs. He was accused of passing a number of worthless checks in Eugene not long ago. He is accused of the same thing in Salem.—Eugene Register.

The Markets

There was no change in the wheat situation at Portland yesterday. Reports from Chicago showed prices closed a cent or more below the opening. Reports of heavy sales of flour by interior mills are circulating in Portland. London says the market is dull but Winnipeg reports that all offerings are grabbed at once. Sugar took a 10-cent rise yesterday that was anticipated on account of the strong condition of the eastern market. It is quoted for "berry and fruit," \$5.90, and other grades all up a cent. Fresh eggs are 42 cents and "Chinas" 18 to 18 1/2. Hops continue to move well with prices unchanged.

Hated of the Nations for One Another.

This European war has born of the hatred caused by earlier wars. It will engender other wars between the same nations in the future. The new war will carry this hatred to their blood to bleed into warfare with the spark's touch by klugs of statesmen who are yet in infancy. It's bad blood that makes your liver sluggish and the same bad blood causes your stomach muscles to lose their elasticity and become flabby and weak and that means indigestion. Dr. Pierce's Golden Medical Discover-

ery, purely vegetable and free from opium or any other narcotic. Take it as directed and it will search out and purify the blood in the stomach, liver, bowels and kidneys and drive it from the system through the natural channels. It will penetrate into the joints and natural channels, muscles, and dissolve the poisonous accumulations. It will replace all the bad blood it drives out, with rich, pure blood full of vital force. It will furnish you with the kind of blood that increases energy and ambition, that puts the entire body in such perfect physical condition that brain or muscles know no fatigue. It will clear the skin; eczema, pimples, rash, blotches will dry up and disappear; boils, carbuncles and other evidences of tainted blood will pass away never to appear again. Get Dr. Pierce's Golden Medical Discovery at any medicine dealer today, in either liquid or tablet form as you prefer. It's the one great blood maker and purifier that all weak or run down people ought to start to use at once. If you want good blood, good health and clear skin, get a supply today.

TELEPHONE MEETING.

The directors of the local telephone company met Saturday. Considerable routine business was transacted. It was ordered that hereafter on each new telephone installed the rent shall be paid three months in advance. Webb Moulder, G. A. Elican and Louis Webster were appointed a committee of stockholders to revise the by-laws of the company and present their recommendations to the board at the December meeting.

The regular annual meeting of the stockholders will be held on the first Monday in January at 10:30 a. m.

BIG BIRTHDAY DINNER.

Celebrating the birthdays of D. A. Keil and his daughter, Gladys, the Keil family gave a Sunday dinner in their honor. The feast was an example of the fine cooking and serving for which Keils are noted, and the guests gave ample evidence of their enjoyment and appreciation of it.

MARRIED AT BARLOW.

Miss Annie Erickson and Mr. Herman Jensen, of Held, Oregon, were united in marriage Saturday evening at the home of the bride's parents, Mr. and Mrs. Selbert Erickson. Only relatives of the bride and groom were present, but by the way they were showered with rice on leaving Sunday evening their many friends wish them happiness through life. They will go to eastern Oregon, where Mr. Jensen has a home-stand.—Observer.
