

The JACOB VOGT SHOE STORE Forced to Vacate Dec. 31

THIS IS NO FAKE!

THIS IS NO \$10,000.00 Money Raising Proposition

This Store Is Not A Guardian For Anybody

Our competitors who are posing as guardians of the people and branding all others as fakers must have been hit pretty hard. They are making frantic efforts to stop the crowds who are now attending the closing out of the Vogt Shoe Store. That their efforts have failed is evidenced by the fact that interest in the closing out of the Vogt Shoe Store is growing greater as the sacrifice becomes more widely known.

This is a genuine slaughter sale for the reason that the stock must be sold out, no matter how great the loss to us. Because of the fact that the creditors have suffered a great loss, which is the chief reason for these great bargains. And because of the further fact that the premises must be vacated by December 31, and therefore every pair of shoes down to the last dollar's worth must be moved quickly.

THIS SALE IS GENUINE

And without question it gives the Greatest Shoe Bargains in all the History of Salem, including all of our competitors combined
