GERVAIS LOCAL NEWS

The Masons had a large gathering Thursday when they installed officers and gave a big feast. Lot Pierce past grand master, was present.
 Mr. and Mrs. F. T. Cutsforth, Mrs. J. E. and F. H. Cutsforth Sam H. Brown, Misses Zella and Edna Armstrong, Miss Minnie Nibler and Mrs. H. D. Mars were Salem visitors Tuesday.
 The directors of the Gervais public schools offer a reward of \$10 for information that will lead to the arrest and conviction of the guilty person or persons who persist in breaking locks and committing other misdemeanors in and about the school building. This building is for public school purposes only and anyone who trespasses thereon is liable to prosecution.
 The Home Amusement Company will present a play entitled Deep Purple at the Gervais City Hall New Year's Eve, December 31, 1914. This company is composed of local talent and they have given several plays here in the past year that have always drawn good houses and from what we know of this play it will be equally as attractive.
 There will be a Hop Growers Meeting at Gervais Saturday at 1 o'clock p. m. The Oregon Hop Growers Association is formed. There is no longer any question of success, it is now only a question of percentage who join and it looks like 90 per cent. Growers are urged not to contract their hops for next year as at least they have a sound business-like association to handle their crop and secure them a fair profit. Growers also urged to write the Organization and Publicity department at Sherburne for literature and blanks and to attend the meeting.—Weekly Star.

Money may be cheap at twelve per cent, or dear at three; it depends very largely upon the purpose for which it is borrowed, and upon what it can earn.

COMB SAGE TEA IN HAIR TO DARKEN IT

Grandma kept her locks dark, glossy and thick with a simple mixture of Sage Tea and Sulphur.

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandma's treatment, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though we don't have the troublesome task of gathering the sage and the honey mixing at home. All

drug stores sell the ready-to-use product called "Wyoth's Sage and Sulphur Hair Remedy" for about 50 cents a bottle. It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyoth's Sage and Sulphur is that, besides beautifully darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive; besides, prevents dandruff, itching scalp and falling hair.
