CHILDREN CRY FOR FLETCHER'S CASTORIA

Women Suffer Terribly from Kidney Trouble.

Around on her feet all day—no wonder a woman has backache, headache, stiff swollen joints, weariness, poor sleep and kidney trouble. Foley Kidney Pills give quick relief for these troubles. They strengthen the kidneys—take away the aches, pain and weariness. Make life worth living again. They will absolutely drive out rheumatism, weak back and swollen aching joints due to kidney and bladder trouble. Try Foley Kidney Pills and see how much better you feel.

How to Prevent Croup.

Every effort should be made to prevent the attacks by giving the child a light supper and plenty of fresh air at all times. The child should be warmly clad when out of doors. Especially the feet should be well protected and under no circumstances should the child be allowed to remain with wet or cold feet. Then watch for the first symptom, hoarseness, and give Chamberlain's Cough Remedy at once and the attack may be warded off. This remedy is a favorite with the mothers of young children and can always be depended upon. It is pleasant and safe to take. Obtainable everywhere.

FOLEY CATHARTIC TABLETS.

Are wholesome, thoroughly cleansing, and have a stimulating effect on the stomach, liver and bowels. Regulate you with no griping and no unpleasant after-effects. Sick people find they give immense relief and comfort. Anti-Bilious, Warren Spofford, Green Bay, Wis., writes: "Foley Cathartic Tablets are the best laxative I ever used. They do the work promptly and with no bad after-effects." Try them.—J. C. Perry, druggist.

SAN DIEGO READY FOR NEW YEARS DAY

San Diego, Cal., Dec. 21.—With every detail for the opening ceremonies practically completed, and with the finishing touches applied to both buildings and grounds, San Diego today stood ready to throw open the gates of the great Panama-California Exposition to the world at the dawn of 1915.

The last of the exhibits were today being installed and on the isthmus, or "joy street" the scores of concessionaires proclaimed their readiness to crown the Pan King at a moment's notice.

Hotels and rooming houses, of which there are said to be more in San Diego than in any other city of its population in the world, were today snowed under with applications for reservations for December 31, January 1 and the entire week following. Although the demand is unprecedented, officials of the Hotel Men's association today declares they could provide accommodations for all Pan-Exposers for New Years eve and New Years night, were it at a premium, and estimates of railroad officials are that thousands of visitors will flock to San Diego for the exhibition opening and New Year's jubilation. Los Angeles is alone pledged to send a delegation of 10,000. Special trains will run into the city almost every hour on December 30 and 31. The exposition grounds and entire city will be a blaze of lights and brilliant decorations. The Imperial Valley will send a caravan of 2,000 heavily loaded automobiles to the exposition city on the day before the opening.

President Wilson at Washington will press the button that first throws on the full illumination of the exposition grounds at midnight, December 31, but hours before that time, with lights sub-

dued the crowds will be permitted to inspect the grounds and witness the dedication of the Spreckels organ, presided to the park board for the city. From the stroke of 12 to broad light of day, a carnival will reign, the merry-makers dancing to the music of the bands in the Plaza De Panama. The formal ceremonies, with addresses by Governor Hiram Johnson, Secretary of the United States Treasury McAdoo and a score of other distinguished guests is set for 11 a. m., New Years day. A great military parade will precede this event. The president's banquet occurs on the exposition grounds that night.

Unique in every respect, the San Diego exposition is declared by many pre-opening visitors to be the most beautiful the world has ever seen. The buildings are all of one type—Spanish Colonial. And most of them are permanent. The foliage and plant life has been the work of years. It is an all-year exposition, designed to witness both the birth and expiration of the year 1915.

True friends seldom come in bunches.
