Make your home a place of happiness, good cheer and refinement by providing your family with a high-grade piano such as the Ludwig, or any of the other standard instruments that we carry. Their lasting beauty of appearance and tone will be a source of perpetual pleasure and you will always remember with satisfaction the day that you gave your order for one. Leave your name now and we will make Christmas delivery if desired.

If you already have a piano, bear in mind that there is no other gift so appropriate, so desirable as a Victrola. As the greatest retail distributors of Victrolas on the Pacific Coast, we have the most complete stock and the best facilities for supplying your needs. Visit our demonstration rooms and see for yourself what a large list of first-class records we carry. There's nothing better for your gift to a friend than one or more of these fine records.

We are closing out our entire stock of sheet music and musical instruments of all kinds at less than half price.
