They will absolutely drive out rheumatism, weak back and swollen aching joints due to kidney and bladder trouble. Try Foley Kidney Pills and see how much better you feel.

**How to Prevent Croup.**  
Every effort should be made to prevent the attacks by giving the child a light supper and plenty of fresh air at all times. The child should be warmly clad when out of doors. Especially the feet should be well protected and under no circumstances should the child be allowed to remain with wet or cold feet. Then watch for the first symptom, hoarseness, and give Chamberlain's Cough Remedy at once and the attack may be warded off. This remedy is a favorite with the mothers of croupy children and can always be depended upon. It is pleasant and safe to take. Obtainable everywhere.

**POLEY CATHARTIC TABLETS.**  
Are wholesome, thoroughly cleansing, and have a stimulating effect on the stomach, liver and bowels. Regulate you with no gripping and no unpleasant after effects. Stunt people find they give immense relief and comfort. Antibilious. Warren Spofford, Green Bay, Wis., writes: "Foley Cathartic Tablets are the best laxative I ever used. They do the work promptly and with no bad after effects." Try them.—J. C. Perry, druggist.

**Words of Praise for Chamberlain's** Indigestion and Constipation.  
"When living in Syracuse N. Y. about two years ago I took two bottles of Chamberlain's Tablets and they cured me of indigestion and constipation after I had suffered for months with these disorders," writes Mrs. Charles Gloyd, Baldwinville, N. Y. Obtainable everywhere.

**Children Cry FOR FLETCHER'S CASTORIA**  
Foley's Honey and Tar Compound for Croup.  
Croup seizes you. The loud hoarse croupy cough, choking and gasping for breath, labored breathing, call for immediate relief. The very first doses of Foley's Honey and Tar Compound will soothe the croupy throat, loosen the thick mucus, clear away the phlegm and open up and ease the air passages. Harold Berg, Mass. Mich., writes "We give Foley's Honey and Tar to our children for croup and it always acts quickly." Every user is a friend.—J. C. Perry, druggist.

**HACK! HACK! HACK!**  
With raw tickling throat, tight chest, sore lungs, you need Foley's Honey and Tar Compound, and quickly. The first dose helps. It leaves a soothing healing coating as it glides down your throat. You feel better at once. S. Martin, Bassett, Neb., writes: "I had a severe cough and cold and was almost past going. I got a bottle of Foley's Honey and Tar and am glad to say it cured my cough entirely and my cold soon disappeared." Every user is a friend.—J. C. Perry, druggist.
