OPEN FORUM

ASKS SOME QUESTIONS.

Salem, Ore., Jan. 1, 1915.
Editor Journal: Hundreds of people attended the program at the municipal Christmas tree, a few evenings ago, and heard the address of Rev. H. E. Mar-

shall.
In discussing the birthday of Jesus, he made the statement, "and on that night a new star was born." Of course, we all supposed he meant the star of Bethlehem. He evidently intended we should.
But scientific men have been teaching us for a century or two that the star of Bethlehem and Halley's comet are identical.
The period of this sidereal visitor is about 75 years, and, according to ig-

norance and superstition, it has caused more wars, heralded more births of heroes and announced more calamities than any other single star that has come within the sphere of earthly vision.
It was not "born on that night." Was any other? We want to know. When a man of culture and education makes statements like this to hundreds of people, we want his authority for such statements.
A personal letter to Rev. Marshall

several days ago has brought us no reply, and so we ask any Journal reader who has the answer to kindly supply the same to a
"DOUBTING THOMAS."
THE SCRIPPS FUNERAL.
Pasadena, Cal., Jan. 1.—Funeral services for William A. Scripps will be held Sunday afternoon at 3 o'clock at the family residence in Altadena. Complete arrangements for the services have not yet been made.

THE MARKETS

Portland wheat buyers were not disposed to continue the advance so vigorously yesterday. Ten thousand bushels of March red Russian were sold on the Merchant Exchange at \$1.27, an advance of a cent over the bid price of Thursday, but elsewhere throughout the list the tendency of the market was more stationary. Unchanged prices were offered for bluestem, fortyfold and club for prompt delivery. For the latter months the bids ranged from a cent higher to a cent lower than on the preceding day.

The feed grains also held steady at the former range, except January barley which sold a quarter higher at \$27.25.
Country reports were of inactive markets, with little or nothing offering. Local receipts have been smaller this week, but the arrival of a number of vessels in the river promises an early relief of the dock congestion, which will be followed by an increase in the movement of wheat to this port.

The egg market is unsettled, as is usually the case when the winter decline begins and a wide range of prices was quoted on the street. Canned Oregon eggs were sold at 36 to 38 cents and there were sales, case count, as low as 33 cents. The general tendency was to move stock as fast as received.

The poultry market was low, particularly on dressed turkeys and geese. The only demand was for live chickens, hens cleaning up at 11 to 12 cents. Dressed meats dragged and the tone of the market was weaker.

No changes were reported in the conditions of the butter and cheese markets.

GLASS OF SALTS IF YOUR KIDNEYS HURT

Eat Less Meat If You Feel Backache or Have Bladder Trouble—Sales Fine for Kidneys.
Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night.
To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.

JOHNSON MACHINE CLEANED AND OILED

Sacramento, Cal., Jan. 1.—As the time approaches for the opening next Monday of the 41st session of the California legislature, all the more certain is the strength of the Johnson forces in both senate and assembly so that there will be little to hamper the administration in continuing its method of legislation established two sessions ago. The so-called stamp and anti-Johnson strength is diminishing until it is likely that the republican and democratic caucuses called for Sunday evening will find many backsliding partisans.
Indications are that there will be little difficulty in the way of organizing the house and getting down to business within a day or two after the opening.
C. C. Young probably will be re-elected speaker of the assembly and Senator Newton W. Thompson of Los Angeles is the favorite for president pro tem of the senate. There is scarcely any contest developing for the principal clerkships.

ROADS MAY GRANT EXCURSION RATES

Washington, Jan. 1.—The interstate commerce commission granted permission yesterday to practically all the railroads west of the Mississippi river to establish excursion fares to points on the Pacific coast and to intermountain states from cities west and north of Chicago, Peoria and St. Louis, and from all stations in Wisconsin, upper Michigan, Illinois, Minnesota, Iowa, Missouri, North Dakota, South Dakota, Nebraska and Kansas.
The Chicago and Northwestern and the Illinois Central roads will put into effect special excursion rates from Peoria to San Francisco and other California cities via New Orleans.

BEECHAM'S PILLS

When you are afflicted with the painful discomforts of **Indigestion**

remember that Beecham's Pills are specially adapted to give you speedy, safe and reliable relief, while this same marvelous family remedy has well proved its power to drive away the headache, the lassitude, the low spirits, the bad dreams and other distressing symptoms of **Biliousness**

Beecham's Pills have earned their world-wide repute as the best corrective of disorders of the organs of digestion, and they deserve this great fame now just as they have deserved it through all the more than sixty years they have been bringing health and comfort and strength to suffering humanity.

Try a few doses for your own health's sake and see what a different person you will feel after your system has been cleared of impurities, your blood purified, your stomach toned, your liver stimulated, your kidneys and bowels regulated.
