THE MARKETS

hurry.

The poultry market is showing signs of strength, hens selding readily at 12

The grain market is on a general up-ward movement, bran and shorts ad

retail prices soon to advance in proportion to the increased price of wheat.

The retail price of butter is down, now selling for 75 cents for the two pound rolls.

Salmon are very plentiful now in the Columbia river according to a statement of one of the local dealers today. Columbia river gill caught smelt were in the market yesterday, selling at 12½ cents a pound. Yesterday was the first of the season for these smelts. As soon a the smelt appear in the Cowletz river, dealers expect lower prices.

Journal guarantees that no expense will be apared in making a pleasant one. First class railroad fare, the best of the season for the season for the season for these smelts. As soon a the smelt appear in the Cowletz river, dealers expect lower prices.

OPEN FORUM

'How the Public Money Is Spent." Editor Capital Journal: I would ask some space in your columns that I may release from my system something which I have often felt might be said

without working any great hardship on the unuspecting public.

The Statesman article under the above title—published January 1st—is certainly a flambusterous stagger at a jumbled mess of misinformation. The publication of the facts and salaries as they actually are would undoubtedly result in some good to the salaries as a triumpublication of the facts and salaries as they actually are would undoubtedly result in some good to the salaries as a triumpublication of the facts and salaries as they actually a triumpublication of the facts and salaries as they actually a triumpublication of the facts and salaries as they actually a triumpublication of the facts and salaries as they actually are would undoubtedly result in some good to those interested in such matters, but the article as it stands does not radiate much true enlighten-ment. I desire, with your permission, to cite some of the most glaring and

Elevator men, both omitted. Head cataloger, salary, \$110.
Institution for feeble minded, either Two extra mechanical clerks, 20c and

200 per month.
