\$850

Player Piano.

First premiums offered will be the

\$850 Player Piano.

This \$15 in cash will be given as outlined below.

I am a manufacturer's representative. I am looking for a piano dealer in Salem. If satisfactory arrangements can not be made by the time my pianos arrive, then I will open a store myself, but should I find a dealer satisfactory to my company, then all credits and premiums will be given through them.

BUT REMEMBER, all the credits advertised to make our Strohner pianos well-known in Salem and vicinity, is given by the manufacturer and not by any piano dealer. We are willing to spend some money in Salem to obtain our first 100 piano customers for the new scale Strohner player pianos.

The correct or nearest correct answer, first premium; the next correct or nearest correct answer, second premium, etc., just as the premiums are offered in this advertisement. Bring your answer to Marion Hotel, or mail it to me. Out-of-the-city people have the same opportunity to secure one of the many valuable premiums we will give to make our pianos as well known in Salem and vicinity as they are in the East.

The manufacturers of pianos I represent have decided to give the magazine publicity advertising appropriation for the coming year direct to Piano Purchasers.

All credits given—\$25 to \$150—will be good only on new Player Pianos. It is conditional that all credits are used by the receiver within ten days from the close of this contest.

All piano manufacturers and dealers have different ways of advertising; some employ great artists, some use expensive magazine advertising while others use teachers to persuade people to buy, paying them commissions. We, however, believe that the best possible advertisement is a satisfied customer. We have but one price on our pianos and every piano marked in plain figures.

In case of a tie, all tying contestants will receive equal amounts as credits, good only on Player Piano, \$850 value, or more. The total amount of any Premiums may be divided if so decided by the judges, who will be well-known people of Salem. If in case of a tie and absolute correct answer is given, then neatness and advertising value can be considered.

First Premium—\$850 Player Piano.
