THE MARKETS

The advance of 10 cents a hundred on sugar in the wholesale markets yes-terday had its effect on the local retail market, as the price in Salem advanced to \$6 30 today.

to \$6.30 today.

The high price of wheat and the advance in the wholesale price of flour also posited up the local retail market today, and now hard wheat flour in selling at from \$2.10 to \$2.55 per sack and valley floor \$1.85 to \$2 per sack.

Rolled outs continued to rise in price yesterday, making a gain of 50 cents a barrol. The local dealers state that at present this will not effect the retail price of package coreals.

price of package exceals.

Although the egg market was weak in Portland, there is no change in the quotations here today.
