By MOLLIE RINGOOR

**WASHINGTON'S** birthday was the inspiration for a number of informal events yesterday, the pretty and artistic place cards, favors and decorative novelties which ornamented the room, making an appealing appeal to hostesses in suggesting their decorative possibilities that the date was selected by many as a most desirable one on which to entertain, and although the anniversary is past it will continue to be suggested at various affairs of the week, as it had been at a number given during the previous seven days.

"Albany music lovers," says the Albany Democrat of Saturday, "will be given a rare treat on Wednesday evening, March tenth, when Miss Margaret Flower, the wonderful blind singer and lyric soprano of Salem, and Miss Mary Schultz, a violinist of Salem will be heard in a concert at the Baptist church. The concert will be given under the auspices of the teachers' training class of the church, Mrs. W. C. Burkhardt, teacher. Three young ladies have pledged one hundred dollars for the new pipe organ. Misses Flower and Schultz come to us not as strangers, as they have made several appearances in Albany before."

Friends of Miss Verda Zosel and Elmer Peitler are interested in their approaching marriage, which is to be an event of Sunday, February 28. The ceremony will take place at the residence of the bride's parents, Mr. and Mrs. Theodore Zosel, 210 Mission street, and will be quite a large affair. The bride-elect was given a pre-nuptial shower last Wednesday evening when the Maccabees met in regular lodge session, the ladies of the order joining in presenting Miss Zosel with many attractive gifts, following which they were joined by the Sir Knights, all surrounding the banquet table, the bride and bridegroom-elect sharing in the complimentary toasts.

Madame June Reed, a violin soloist with an European reputation, played with much success at a recital under the auspices of Ladd Public School Parent-Teacher association, last Thursday, says Sunday's Oregunian. Madame Reed is a violinist of both skill and musicianly finish. Her piano accompanist was Miss Edna Trotter.

Following the regular meeting of Sedgewick Woman's Relief Corps at Moose Hall Saturday, a memorial service was conducted in honor of Washington's birthday. Under the leadership of Patriotic Instructor Mrs. Effie Wright Tarsh, the meeting opened with invocation by W. H. Lytle, followed by a reading by Mrs. Laura McAdams, president of W. R. C.; solo by Miss Inez Denison, who responded to an encore. Post Commander L. H. Pound, Comrades Weight and Falkner delivered brief though appropriate addresses; essay by Conrad W. H. Byrnes; solo by Mrs. Elsie Simeral, and duet by Mrs. Elsie Simeral and Mrs. Mable Lockwood.

Cynthia Sears Dunlap, department president, gave an interesting talk of her visit in Portland where a reception was tendered Mr. and Mrs. Daniel J. Palmer, Mr. Palmer being commander in chief of the Grand Army of Republic from Washington, Iowa. The ceremony of the afternoon closed with the old familiar song, "My Country 'Tis of Thee."

Mr. and Mrs. W. H. Eldridge were hosts last night, entertaining with a beautifully appointed dinner of ten covers. Conversation suggestive of Washington's birthday were much admired.

A number of Salem people participated in the flag-raising exercises held at the Brooks school yesterday, among those going being Mr. and Mrs. Joseph H. Albert and daughter, Mary Jane; Mr. and Mrs. Walter M. Smith, Hon. and Mrs. Frank Gray and daughter, Mrs. E. E. Fisher, Miss Nellie Roberts, Mrs. Dan R. Allen and Mr. Douglas.

An all-day program was given, the flag raised being one presented by Mr. Albert last year. He was called upon for an address, and was given an ovation by the two hundred pupils, teachers and patrons present in appreciation of his splendid gift. Superintendent Smith delivered a brief address, Mrs. B. V. Ramp, of Brooks, following with a poem, "The Starless Flag," written by a southern friend upon a trip of inspection to a flag manufacturing establishment. Mr. Day spoke on "Education and Patriotism," County Supervisor of Schools John W. L. Smith talking on "Our Nation's Greatness." Mr. Walker, a teacher in charge of the day's exercises, spoke interestingly of her work and the excellent support given her in bringing their school up to its present splendid standard. Mrs. Fisher's address was entitled, "The Making of the American Flag," and was of much interest, Mrs. Fisher being especially competent to handle this subject, in that she is a direct descendant of Robert Morris, of revolutionary fame, who was one of the committee named to originate the first flag. Mr. Albee spoke on "Fifteenth Century Patriotism," and Miss Roberts, Mr. Douglas and Mrs. Clyde Harris, of Brooks, delighted with patriotic songs. As usual, the table was beautifully decorated, was thrown open, a public dinner being served.

Outgoing and incoming officials, and monthly leaders, of the Woman's Home Missionary society of the First Presbyterian church, were entertained yesterday afternoon at the home of Mrs. Carl F. Elliott. Amid attractive patriotic surroundings the guests passed a business session later enjoying an informal social time. Altman, treasurer, and Mrs. Hodge, secretary, and the newly-appointed leaders of the monthly meetings: Mrs. W. E. Emmons, Mrs. John Lewis, Mrs. D. E. Frank, Miss Lillian Applegate, Mrs. Walter Brown, Mrs. Chas. Parks, Mrs. E. A. Wallace, Mrs. Davis, Mrs. Mary Newton, Mrs. E. T. Judd, Mrs. Robert Kakin and Mrs. Philip Gilbert.

Mrs. Clara B. Ferguson leaves tonight for Columbia, Ohio, being joined in Portland by Dr. and Mrs. C. J. Smith, long time friends, who will accompany her. Mrs. Ferguson will be the guest of relatives, her absence to cover an indefinite period.

Friday evening at half past seven o'clock in the Richmond school building the members of the Parent-Teachers' association will give one of their most interesting programs. The event is to be in every way possible conform to the old-fashioned school entertainments, the older residents of this part of the city to participate. Costumes of forty years or more ago will be worn, and speeches, recitations and exercises in keeping with that period will be featured, including an old-time spelling contest. The pictures recently purchased for the school will be on display and a most cordial welcome is extended to all who wish to attend.

Mr. and Mrs. T. A. Livesley left Saturday for Hot Lake, expecting to return shortly, when they will leave for San Francisco to attend the Panama-Pacific exposition. Accompanied by their children, Dorothy and Tommy, they will pass the remainder of the winter in California.

The latest announcement of social interest among the younger set is that an exclusive boys' club is being formed, which, when properly organized, will add much to the entertainment and general gaiety of the junior members of society. Although the names of the members may not be disclosed as yet, it is known that the list will include about a dozen popular young men. Entertainment for their friends is being planned on a large and most attractive scale, and it is understood that a series of dancing parties will conspicuously feature their program.

Approximately commemorating Washington's birthday anniversary, the students of Sacred Heart academy, participated in a pretty Colonial party at the academy last night, the young women impersonating famous characters of Colonial days.

The newly-elected officers of the Woman's Alliance of the Unitarian church will entertain the members and friends of the Alliance Friday afternoon in a charming hall (Unitarian church). All friends and members are cordially invited to be present and bring their friends.

After a banquet at the armory last night the members of Company M and their friends listened to the patriotic program prepared for the occasion and the remainder of the evening was spent in dancing. The feature of the banquet was a large birthday cake decorated in an appropriate manner in honor of Washington's birthday. The cake was four feet long and three feet wide and it was cut into 150 pieces and served to the banqueters.

The following was the program: Selection—Gibson Mandolin Orchestra; Reading—Miss Hart; Reading—Miss Patterson; Reading—Perry Reigelmans; Xylophone solo—Leroy Robinson; Cornet solo—Max L. ## DECISION OF SUPREME COURT FAVORS WIDOW

### Lachmund Loses the Case Against Gile & Co.—Other Decisions Announced

From the whole case it appears that the defendant (the First National Bank of Roseburg) through its president deceived an ignorant old woman, who relied upon the credit of the bank, into making an inequivalent contract, whereby she must probably lose her money unless the defendant pays it, as in good morals it ought to do. Under such circumstances courts will not be astute to search for technical reasons to enable the defendant to escape from the consequences of a contract made for it by its chief officer.

Basing its action upon the above conclusion the supreme court this morning, in an opinion written by Justice McBride, affirmed the decree of Judge T. J. Cleeton of the circuit court for Douglas county, in which Elizabeth Byron, a widow past 60 years of age, was awarded judgment for a balance of \$3,254.25 upon her account with the First National Bank of Roseburg. The money was alleged to have been borrowed from the widow's funds on deposit in the bank, by its president T. R. Sheridan and the bank sought to escape the obligations on the plea that Sheridan had no right to borrow money in the name of the bank without authority of the board of directors. The supreme court finds that the transactions between Sheridan and Mrs. Byron had gone on for more than a year past and that, having had knowledge of such transactions, the board of directors passively if not actively acquiesced in the business relations existing between the bank and the innocent and trusting widow and the bank should stand responsible for any sums due her.

## Valuable Advice to Sufferers.

There are many different forms of stomach trouble, and a well-known specialist recently, "but practically all are traceable to excessive acidity and food fermentation. That is why the results obtained from the use of drugs are usually so disappointing. Adulterated fermentation and consequent acidity of the food contents to be the underlying cause of most forms of indigestion, it naturally follows that the use of a reliable antacid, such as the pure alkaline magnesia which is so frequently prescribed by physicians, will produce better results than any known drug or combination of drugs. Accordingly I almost invariably advise those who complain of digestive trouble to get some purified magnesia (note the name carefully as other forms are unsuitable for this purpose) from their druggist and take from one to two teaspoonfuls of the powder, or two or three compressed tablets, with a little water after meals. This by immediately neutralizing the acid and stopping the fermentation, removes the cause of all the trouble and insures normal and healthy digestion."

## Plans for Junior High School are Submitted

Architect George M. Post Presents Blue Prints at Board Meeting Last Night—Approval Expected.

Plans for the new Junior High school to be erected in South Salem were submitted by architect George M. Post to the school board at their regular meeting last night.

Mr. Post submitted several preliminary studies of the building and the board adopted plans embodying the best features from the different specifications submitted.

The new school building will be 88 feet long in its greatest length and 75 feet wide. There will be a main entrance on High street and one at each end of the building. In the basement, there will be a playroom 29 by 35 feet for the boys and one of the same size for the girls. The rest of the basement will be given to the heating and ventilating apparatus and lockers.

The first floor will have four classrooms, each 24 by 30 feet with a wardrobe for each of the rooms. The second floor will have the same rooms and arrangements as the first floor, excepting the principal's office will be located on the second floor.

The building will be constructed of either hollow tile or brick, with pressed brick facings. The facings are of light buff or white brick. It will be possibly a month before specifications are complete, ready to be placed into the hands of contractors for bids.

The question of naming schools was brought before the board. Emerson school was favored for the East Salem school and McKinley for the new school to be built, but no definite action was taken.

Letters were received from the Salem trades council urging that local contractors be favored in the construction of the new school.
