It has been said that capital cities are so domesticated by politics that they do not appreciate good music, but the keen interest in the Symphony Orchestra concert displayed by Salem people shows this statement to be incorrect in this instance.

The selection of Salem as the only place outside of Portland for the concert is another tribute to the culture of the Capitol city, and it is gratifying to learn that surrounding cities will patronize the concert.

The faculty at Corvallis have engaged three boxes, and many other out-of-town reservations are being made.

Salem is glad to share its blessings with its neighbors. The concert will be at 2 o'clock next Sunday afternoon at the Grand opera house. Besides the reservation of boxes by the faculty of the Oregon Agricultural college, the faculty of Monmouth is also booked for like seats, the remaining boxes to be taken by local society folk. Independence, Monmouth, Woodburn and other valley cities will send delegations, and it is fully expected that the audience will be one of the most representative noted at the Grand opera house for some time.

Some people are constantly annoyed from year's end to the other with persistent bronchial cough, which is wholly unnecessary. Here is a home-made remedy that gets right at the cause and will make you wonder what became of it.

Get 2½ ounces Pine, (50 cents worth) from any druggist, pour into a pint bottle and fill the bottle with plain granulated sugar syrup. Start taking it at once. Gradually but surely you will notice the phlegm thinning and then disappear altogether, thus ending a cough that you never thought would cease. It also helps the inflammation in a painful cough with remarkable rapidity. Ordinary coughs are conquered by it in 24 hours or less.

Nothing better for bronchitis, winter coughs and bronchial asthma.

This Pine and Sugar Syrup mixture makes a full pint—enough to last a family a long time—at a cost of only 54 cents. Keeps perfectly and tastes pleasant. Easily prepared. Full directions with Pine.

Pine is a special and highly concentrated compound of genuine Norway pine extract, rich in guaiacum, and is famous the world over for its ease, certainty and promptness in overcoming bad coughs, colds and throat colds.

Get the genuine. Ask your druggist for "2½ ounces Pine" and do not accept anything else. A guarantee of absolute satisfaction or money promptly refunded goes with this preparation. The Pine
