WILLAMETTE DRUBS WASHINGTON STATE

Local Varsity Five Wins Fast Clean Contest By Score of 26 to 20

The Willamette University basketball team closed the season's schedule last evening by drubbing the Washington State College team to the tune of 26 to 20.

Following their excellent show against the University of Washington a week ago the local team took on new life and after one of the hardest practice weeks of the season were able to finish up their schedule by a victory of the huskies from Pullman.

For the local boys, Howard Jewett, the midget forward was the sensation of the evening. During the first half at basket tossing and was responsible for a large portion of the 18 tallies that Willamette counted up against Washington State's 4 at the end of the period.

The Aggies coach evidently had something to say to his men between halves for in the second period they came back stronger although they failed on the Willamette lead they gained to over take it and the game ended 26 to 20.

In the second half Captain Shisler got his basket throwing eye to working and began to have better luck in connecting with the iron hoop. He played the greatest game of his basket ball career throughout the evening his work on the floor being the main stay of the team. At guard Bagley and Crawford also put forth a Herculean effort to finish the season in winning style. Their work was even faster than in the past and the Aggie forwards were not given many open throws. Adams at center played his usual stiff game. "Rusty" Schramm, who is widely known as one of the fastest and ablest officials in the valley refereed the contest. While quite a number fouls were called the game was no repetition of the rough house at Eugene the night before. The Washington boys played clean, fast ball, the numerous fouls on them being for running with the ball.

The lineup:
Washington State—Anderson and Hildebrand, forwards; Baackley, Moss and Schoner, guards.
Willamette—Shisler and Jewett, for-

WAIT 'TILL NEXT YEAR IS WASHINGTON SLOGAN

Same Old Story Over and Over Again By Supporters of Senators

(By a United Press Staff Correspondent.)
Washington, March 4.—It's the same old story—"wait 'till next year"—but the fans along the Potomac are joining in stronger on the phrase than they used to.

Now that the dogs specialists have assigned Griffith's American League (hinders) to a place among the first four likely candidates for hunting honors next fall, the Old Fox's tribe is flocking in from the provinces for the spring training camp at Charlottesville, Va.

Charlottesville is some three hours' ride from Washington and the Senators on February 28 left for Dixie. Just why Charlottesville should be selected for the honor has never been learned. In previous years the Nationals have done most of their training in the Fairweather gymnasium of the University of Virginia, and it has been suggested that Griffith train his squad in the local Y. M. C. A. and save carfare.

The first squad, which departed on February 28, was mostly rookies, with Neil Albrock, Coach Ryan and Trainer Martin along to chaperon the boys and tuck them into bed at 10 sharp each night. On March 7 Clark Griffith and his regular squad will make their appearance in the Old Dominion and the spring work will be on.

The first squad to leave included 12 of the likely youngsters on President Minor's payroll, including a couple of newcomers in the shape of two promising young pitchers, Toornahden and Hopper. The other members of the first squad were Engel, Gallin, Shaw, Ayres, Hochling, Harper, Bentley, pitchers; Henry, Ainsmith and Williams, catchers, and the two coaches.

Stockton, Cal., March 4.—Ten "incorrigible" boy inmates of the Preston reform school at lone, Amador county, escaped last night after beating Guard Dan Griffin so severely that he may die.

Four of the escapes were captured this morning a few miles from lone. The six still at large are supposed to be making for Stockton.

The 10 were locked in the dormitory at 8:30 last night. They managed to pick the lock and attacked the guard in the corridor, presumably catching him unawares, as he made no outcry. They took his revolver and ammunition. They had been gone an hour before the escape was discovered.

WORLD AT WAR ATLAS

The Capital Journal has just received a new shipment of the "World at War" atlases. They are of a later and revised edition and consist of 24 large, highly-illustrated pages, printed on heavy enameled book.

The atlas contains splendid colored maps of all the warring countries, with routes of travel and railroad lines; many tables of army and navy and general statistics—in fact, the work is a complete ready-reference library for students of the great war. It is a book which would ordinarily sell for \$1.00 or \$1.50, but we are having them made up in large lots and buy them at a price which allows us to give them away to subscribers on very easy conditions.

All who pay three months subscription, old or new, back subscription or in advance, in case their paper is delivered by carrier, will receive one of these atlases free. All mail subscribers, old or new, who pay a year's subscription (\$3.00), either back subscription or in advance, will also be entitled to receive an atlas without extra charge.

This is the most liberal offer the Capital Journal has ever made.
