BURIED BY CAVE-IN.

Los Angeles, Cal., March 18.—Buried west deep in a cave-in, Gregorio Perez, 27, calmly directed the work of scores of excited fellow workmen trying to rescue him. Perez was caught in a landslide in the workings where he and 50 other laborers were employed. He held the earth above him with his arms until fellow workers completed the rescue.

TEN YEARS' MISERY ENDED.

J. T. Chambers, merchant, Jonesboro, Ark., writes: "Foley Kidney Pills cured me of a ten-year standing case of rheumatism. I suffered miserably. A friend told me of being cured; so I used them, and they cured me, too." Most middle-aged men and women are glad to learn that Foley Kidney Pills afford a way to escape sleep-disturbing bladder weakness, backache, rheumatism, puffiness under eyes, stiff and swollen joints, and other ills attributed to kidney troubles. J. C. Perry, druggist.

Italy Ready To Sign Peace Treaty With U. S.

Washington, March 17.—Count Di Cellerio, the Italian ambassador to the United States, called on Secretary of State Bryan this afternoon and informed him that Italy is ready to ratify Bryan's proposed "year of grace" treaty between the United States and Italy.

The treaty is one of a series of agreements prepared by Secretary Bryan with the object of sustaining present peaceful relations between the United States and foreign nations, and which contained stipulations intended to govern the settlement of any possible difficulties between the signatory nations. Similar treaties with several other countries already have been signed.
