

French Aviator Paid Seventy Cents for Days He Risks Life

Paris, March 15.—(By mail to New York)—Pegoud—who first looped the loop—has just had his salary increased to 15 cents a day. This is for the days he doesn't fly. When he flies he doesn't get paid. On all days—whether he flies or not—he will hereafter be known as Adjutant Pegoud instead of just plain sergeant.

At the first hail of fire from my machine gun the aviator tipped. I then charged vertically my gunner never for an instant ceasing his fire. A moment later I distinctly saw the aviator as he was struck and in another instant he had plunged into space.

TODAY'S ODDEST STORY.

THE WORD EASER.

Easter to the French is known as Paques; to the Scotch, Pasch; the Danes, Paaske, and the Dutch, Paschen. St. Paul calls Christ 'our Pasch.' The English name is derived from that of the old German or Saxon goddess of spring, Ostera or Eastre, whose festival occurred about the same time of the year as the celebration of Easter. When the early missionaries went to Britain they found the people worshipping this goddess, to whom the month of April, which they called Eosturmonath, was dedicated. The missionaries substituted the Christian feast for the old heathen one, but they allowed the people to give it the name of their goddess, and so the word Easter came to be used.

Potted flowers for Easter Gifts

Rhododendrons are being used extensively as Easter gifts. The beauty of the flowers alone would recommend them, but in addition they can be planted out of doors in many places soon after Easter Sunday and become part of the shrubbery. No plants are more gorgeous or effective. Even when not in flower the evergreen plant is attractive. The flowers increase in size and beauty each year. Madam Felix and Pink Pearls are two exquisite varieties. Others are Abraham Lincoln, Dellestissima Roseum Elegans and Caracua. The fuchsia grown in standard shapes are attractive and make stylish Easter gifts. Fuchsias, or lady's cardrops, are well known plants of easy culture for the home or study situation in the garden.
