**S**ALEM people visiting in Portland are finding much pleasure in the exhibits being made by the Portland Art association of paintings by famous American artists, which have been selected by the American Federation of Arts, and are on their way to San Francisco to be shown during the exposition. The exhibit was placed on March twelfth, and will be on display until Monday, April fifth.

It is not often that local people have such an opportunity, and all art lovers visiting in Portland should not fail to make the art museum their objective point.

Mr. and Mrs. R. Monroe Gilbert viewed the pictures during their stay over the weekend, and were delighted with the splendid canvases shown.

Of especial interest to Salem people is the canvas "Two-ona," Indian Chief, by E. Irving Couse, which is given a conspicuous place. Mr. Couse, one of the most distinguished and widely recognized of contemporary painters, is a brother-in-law of Taylor H. Walker, of this city, Mrs. Couse being formerly Miss Virginia Walker. Mr. Couse is a Michigan man, but in latter years they have made their home in New York City. Their summers, however, are passed in the west, Mr. Couse occupying the time painting the swiftly vanishing Indians. Much of his best work has been done with them as his models, several summers being spent in eastern Oregon painting the Umatillas on canvas. Five years ago the Couses were in Salem visiting among their relatives. The summers of the past several years, however, have been passed in New Mexico.

Mr. Couse is the winner of the \$500 Carnegie prize for the painting of the Navajo Indians, and most of his pictures have been reproduced in the Copley prints. The Walkers have several of Mr. Couse's original paintings, among them being "The Goose Girl," several Indian studies, and foreign scenes.

The exhibit now on display is made on the second floor of the Portland Art Museum, and taken with the pictures which are a permanent feature give an excellent opportunity for comparing the old school with the new.

Others who have pictures are Al Wright, George Bellows, Richard Williams M. Chase, Cooper, Birg Harrison, Paul Dougherty, Robert Henri, Jovan Lie, and a number of others.

Miss Margaret Putnam returned last night from Portland, where she has been passing a fortnight with friends.

Mr. and Mrs. N. L. Baber, of Corvallis, have been entertained by Mr. and Mrs. Frederick Ewing, near Salem. Mrs. Ewing was formerly Miss Hazel Baber.

Mayor and Mrs. L. M. Carl, of Albany, passed the weekend with their daughter, Mrs. Lulu Lepton.

The announcement of the marriage of Carl Schwab and Miss Ruth Catherine Blum, of Portland, has been made, the wedding being a recent event. The young folk are at home in eastern Oregon.

Mr. and Mrs. H. W. Hatch, of Center street, have been entertaining Mr. and Mrs. Eugene Parrish, of Grand Rapids, Mich., their guests arriving yesterday and leaving yesterday. Their trip will cover an absence of three months, the San Francisco exposition to occupy much of their time.

Mr. and Mrs. Hatch have with them their daughter, Mrs. Marah Hatch Beaman, of Albany, who will be no need with several affairs during her stay.

Mrs. R. R. Robertson entertained the P. E. & Trolley club at her home, 1149 North Front street, Friday evening. A most pleasant informal time was passed, Mrs. P. A. Robertson delighting with guitar solos. Later the session was assisted by Mrs. Taylor in giving a three-course collation.

These who partook of Mrs. Robertson's hospitality were: Messdames Taylor, Hawthorne, Stanton, Schneider, Sprout, F. A. Robertson, Atherton, Watson, McConnell, Beach, Seely.

The next club meeting will be with Mrs. Stanton at her home, between Twenty-fourth and Twenty-fifth streets on State street, Friday, April sixth.

Mr. and Mrs. George Earl Eyre and small son, Robert Earl, left yesterday for Laramie, Saskatchewan, Canada, where they are large land owners. They have been in Salem the past two years and expect to remain that length of time in Canada.

Miss Helen Hunt, a Salem high school student, who has been ill the last three weeks, has again resumed her studies. She has been with her parents, Mr. and Mrs. J. T. Hunt, of Shaw, but during the school year is stopping with her aunt, Mrs. B. L. Steves.

Mrs. William C. Knighton is entertaining with an afternoon of bridge "smorgas" at her North Summer street home, complimentary to Mrs. Oswald West, who is leaving shortly for Portland to make her home.

Mrs. F. L. Waters and her small daughter, Elizabeth, arrived home yesterday from a two months' sojourn in eastern and southern states. The greater part of Mrs. Water's time was passed with relatives in New York, Massachusetts and other eastern states, her return trip being by way of the southern route, stop-offs being made in Texas, Arizona, New Mexico and California. The Panama-Pacific exposition was also of much interest, some time being spent at that place.

Dr. and Mrs. D. F. Lane left last night for Oakland, Cal., where they will be the guests of their daughter, Mrs. John Fechter, Jr. They will be away several months, expecting to return some time in June, much of this time to be passed taking in the exposition. Mr. and Mrs. Fechter are well known here, where they resided until five years ago, Mr. Fechter being associated with the local Y. M. C. A. as secretary. He now holds the position of general secretary of the Oakland association.

Mrs. A. M. Grilley, of Portland, is a house guest this week of Mrs. M. M. Chapman and Miss Oda Chapman. Mrs. Grilley is the wife of the physical director of the Portland Young Men's Christian Association.

Miss Margaret Gray, of Seattle, left for her home yesterday after passing part of the winter in Salem, the house guest of the John McNarys.

Complimenting Mr. and Mrs. Carl Smith, who are to leave this week for Portland to reside, Mr. and Mrs. P. B. Southwick entertained with an informal dinner Sunday evening at their home on Marion street.

Surrounding the board additionally were: Mr. and Mrs. J. Cox, Mr. and Mrs. J. Hastings, Miss Ruby Farrington, of Eugene, and Albert Southwick.

The following note from J. H. Ackerman, president of the Oregon normal school at Monmouth, is in response to an inquiry made by local people:

"Replying to yours of March 24, will say that Mary Antin appears in Monmouth on the evening of March 30, and we begin promptly at 8 o'clock. If the weather is at all nice, it would be possible for Salem people to motor from Salem to Monmouth and return after the lecture."

It is expected that a large number will go from here.

Mr. and Mrs. Charles L. McNary are home from a delightful two months trip through the south and east.

The Yeomen Lodge held an enjoyable entertainment Friday evening. After a brief business session the following attractive program was given: Piano solo, Miss Johnson; reading, R. C. Wygant; violin, flute and piano number, Miss Jay Turner and Mr. and Mrs. Miller Beyer. A banquet was served later, dancing rounding out the evening.

Mrs. H. D. St. Helen, of 236 Court street, will entertain the Masquid club tomorrow afternoon.

**Complete Collapse of Miss Rae Tanzer's Case**

James W. Osborne

New York, March 30.—Complete collapse of Miss Rae Tanzer's breach of promise suit against former District Attorney J. W. Osborne was announced today by United States District Attorney Marshall who declared that Miss Tanzer had fully exonerated Osborne and admitted that she mistook him for "Oliver Osborne," her lover.

Following the filing of her suit against Osborne, Miss Tanzer was herself arrested by the federal authorities on a charge of using the mails to defraud.

Miss Tanzer signed a waiver of immunity from criminal prosecution. It was understood that information might be obtained from her implicating others in the alleged attempt to blackmail Osborne.

**MEREDITH QUITS AND W. AL JONES GETS JOB OF SECRETARY**

**Retiring Secretary Accepts Position With Washington Fair Board**

Following the acceptance of the resignation of Frank Meredith, who has accepted the position of secretary of the Washington fair association, at North Yakima, at a substantial increase in salary over what he has been receiving as secretary of the Oregon fair, W. Al Jones, of Joseph, resigned his membership of the fair board and was elected to the secretary position at \$2,000 per year, which is the same salary heretofore paid the secretary.

C. F. Homyer, who has been employed as farmer at the fair grounds for several years, also tendered his resignation and Mr. Jones will occupy the farmer's cottage at the fair grounds and look after the duties of the farmer in addition to the secretary work. Mr. Homyer received a monthly salary of \$100.00 which the fair board will be able to save in the transaction. A. H. Lea tendered his resignation as superintendent of the dairy department which was accepted by the board but no action was taken in the naming of a successor.

C. W. Yankeche made application to the board for the position of custodian of the fair grounds but the board took no action in this matter. The resignation of Mr. Jones, as a member of the state fair board, makes it incumbent upon the governor to appoint a successor but he was not ready to make any announcement at this time.

The fair board approved of the plans of Architect Knighton for a new general office and men's rest room cottage at the grounds, at an approximate cost of \$2,500 and the architect was instructed to draw up plans and specifications for a new cottage at the grounds at a cost of not to exceed \$1,250 and this will be attended to at once.

Retiring Secretary Meredith has held the position of business manager of the Oregon state fair for the past five years and during his term of service the magnitude of the state fair has more than doubled, and, in appreciation of his excellent services the board of fair directors unanimously adopted resolutions extending the thanks of the board for his faithful services. He will move to North Yakima to assume his new duties as soon as he can make arrangements for taking his family.

Mr. Jones, the new secretary, is a native of Marion county, having been born and raised within 5 miles of Salem on Mission bottom and he needs no introduction to the Salem public. A few years ago he moved to Wallawa county where he engaged in ranching of a general character, but principally stock raising, and he is considered amply qualified to fill the position of responsibility to which he has been elected. He will move back to Salem with his family immediately.

A wise man may not know much, but he is wise enough to keep others from knowing it.

**"POPPY DAY" AT FAIR**

San Francisco, March 30.—Today was "poppy day" at the Panama-Pacific exposition, in honor of California's official flower. Nearly every young in the state contributed to the poppy display, which centered at the California building.

Santa Clara county also supplied the product of 100 acres which were planted in poppies early in the year. Every visitor who passed through the exposition gates during the day was met by one of the hundreds of "poppy girls" and beautifully supplied with the state's golden children.

The dedication of the Great Northern railway building at the fair today honors with the inauguration of the county's exhibit in the California building. Rain marred the program.

**Record Attendance At Christian Sunday School**

An attendance of 915 was the record made Sunday by the First Christian Sunday school, after a week's campaign to increase their attendance from 450 to 800. With perhaps one exception, this was the largest Sunday school attendance in the state.

In order to increase their attendance the Christian church Sunday school offered prizes for those getting the largest number of pledges of attendance. The winners of the prizes were Mrs. D. D. Olmstead and Miss Pauline Porter, who tied on 231 pledges. The class prize for the largest attendance was won by the Loyal Women's class. Miss Mildred Douglas won the third prize in the individual contest.

Now that they have been so successful, the Sunday school has raised its limit, and will work for an attendance of 1000.

Last night closed the evangelistic services being held at the church by Rev. A. L. Crim. During the three weeks he has been here, 80 additions have been made to the church membership.

Out of the 915 attending, 81 were in the Loyal Men's class, 73 in the Loyal Daughter's class and 42 in the Loyal Sons. The Loyal Women's class was the largest in the Sunday school, with an attendance of 209.

No matter how ugly a baby is, you needn't be afraid to tell the mother that it is the prettiest one you ever saw. She will not think you are joking.

**Poem Commemorates Record Church Attendance**

"Christian Eight Hundred" is the title given to the following verse, written by Mrs. F. T. Porter, wife of the pastor of the First Christian church. The eight hundred refers to the attendance which the members of this church were endeavoring to secure for their Sunday school by March 28th. Everyone did their best and worked together systematically to have this many taken in as a climax to the evangelistic services which A. L. Crim has been conducting.

The rhythm of the lines have the swing of the "Charge of the Light Brigade," and those in attendance at Sunday's services were pleased when printed copies were given to each one present.

Forward the Christ's brigade!  
 Was there a soul dismayed?  
 No, for each soldier knew  
 Christ had not blundered.  
 Theirs but to make reply:  
 "We on thy love rely,  
 Whether we live or die,  
 Charge we the valley of sin,  
 Christian eight hundred!"

Sin camped to right of them,  
 Sin camped to left of them,  
 Sin camped in front of them,  
 Curses charged thundered;  
 Stunned at his shame and vice,  
 Offered the traitor's price,  
 Fearless they held command:  
 "Forward to save the land,  
 Christian eight hundred!"

Come they from hill and plain,  
 Come they through sun or rain,  
 Slaying a glad refrain,  
 Happy eight hundred;  
 Holding the cross on high,  
 Joyous their banners fly,  
 Raising the victor's cry:  
 "For home and heaven on high!"  
 Loyal eight hundred.

Seeking the true and brave,  
 Seeking the lost to save,  
 Seeking to free the slave,  
 How Salem wondered;  
 Seeking to right the wrong,  
 Turning earth's sights to song,  
 Bowing to Christ the King,  
 Joyous they march along,  
 Glorious eight hundred.

Welcome with heart and hand,  
 Ye who would join our band;  
 If you would faithful stand,  
 One of "eight hundred."  
 Faithful in word and deed,  
 Sowing the precious seed,  
 Reaping the ripened grain,  
 Healing earth's grief and pain,  
 With words of heavenly gain,  
 Christian "eight hundred."

**Makes Stubborn Coughs Vanish in a Hurry**

Surprisingly Good Cough Syrup  
 Easily and Cheaply  
 Made at Home

If some one in your family has an obstinate cough or a bad throat or chest cold that has been hanging on and refuses to yield to treatment, get from any drug store 2 1/2 ounces of Pinex and make it into a pint of cough syrup, and watch that cough vanish.

Pour the 2 1/2 ounces of Pinex (50 cents worth) into a pint bottle and fill the bottle with plain granulated sugar syrup. The total cost is about 54 cents and gives you a full pint—a family supply—of a most effective remedy, at a saving of \$2. A day's use will usually overcome a hard cough. Easily prepared in 5 minutes—full directions with Pinex. Keeps perfectly and has a pleasant taste. Children like it.

It's really remarkable how promptly and easily it lessens the dry, hoarse or tight cough and looses the inflamed membranes in a painful cough. It also stops the formation of phlegm in the throat and bronchial tubes, thus ending the persistent loose cough. A splendid remedy for bronchitis, winter cough, bronchial asthma and whooping cough.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, rich in pinenes, which is a healing to the membranes.

Avoid disappointment by asking your druggist for "2 1/2 ounces of Pinex," and do not accept anything else. A guarantee of absolute satisfaction goes with this preparation or money promptly refunded. The Pinex Co., Ft. Wayne, Ind.

**REPORTED OUTRAGES DENIED.**

Washington, March 30.—Ambassador Morgenthau, at Constantinople, today rebuffed Secretary Bryan's claim that the grand vizier denied reports of violence to foreign missionaries in northwestern Persia.

The message received from the ambassador at the state department declared that assurance had been given that Turkish troops which reached the disturbed region on Saturday would maintain order.

**Germans Stir Up Mutiny Among Indian Troops**

San Francisco, March 30.—Five members of the crew of the German cruiser Emden, sunk in southern waters, were among the leaders of the recent mutiny of Indian troops at Singapore, according to two Methodist missionaries arriving here today on the Pacific Mail steamer Persit. They are Rev. C. C. Underhill and W. A. Wells, and were attending a conference in Singapore at the time of the uprising.

The mutiny was inspired by fifty Germans who escaped from a detention camp, led by the members of the Emden crew, they declared. A large reward has been offered for their capture, the missionaries declared.

Only lack of good leadership among the mutineers prevented them from inaugurating a reign of terror in Singapore, Rev. Underhill said. When the Europeans in the city formed a guard, the mutineers scattered, he said, but if they had held together they might soon have gained the upper hand.

Five English officers and 24 European civilians were shot on the first day of the mutiny February 25. One sailor was killed the next day when 100 Galleons were brought ashore. On the third day 2000 men came ashore from French and Japanese warships and the mutineers fled to the hills. The missionaries did not know the exact number of Indians killed during the mutiny or executed afterwards, but said that out of the regiment of 900 only 450 men were left when they departed from Singapore.

**A REMEDY FOR CHILDREN -- KIDNEY TROUBLE**

I have a boy who had the best wetting habit from infancy, and also had much trouble with his kidneys. Two years ago they became so bad, and having tried a great many remedies without relief, I consulted a doctor who advised me to try Swamp-Root. I obtained one fifty-cent bottle and he had not taken more than three-fourths of it when he became entirely well, and has not been troubled since.

To any parent who has a child suffering from these troubles, I cheerfully recommend Dr. Kilmer's Swamp-Root and consider it a wonderful medicine.

Yours very truly,

**CHANGELING BABY ARRIVES.**

New York, March 30.—En route to San Francisco, Teddy Slingsby, 4 years old, celebrated "Slingsby changeling" baby, arrived here today from Liverpool, accompanied by his mother, Mrs. Charles H. Slingsby.

By the decision of the London probate court, Teddy Slingsby recently was declared the legitimate son of Mrs. Slingsby by her husband, a former lieutenant in the British navy. Thus establishing his right to a \$500,000 estate in Yorkshire, England. Other contesting heirs to the property charged that the rightful Slingsby heir, born in San Francisco in 1910, died at birth, and that "Teddy" was substituted. An appeal from the probate court's decision is now pending.
