DEPARTMENT PRESIDENT OF W. R. C. PASSES AWAY

Cynthia F. Dunlap, wife of J. Frank Dunlap, and department president of the Woman's Relief Corps for Oregon, passed away at her home, 1925 Oak street, at 7 o'clock this morning. The end came after an illness of two weeks, from grippe, but for the greater part of her life Mrs. Dunlap had been a sufferer from heart trouble, her removal with her husband to Oregon six years ago being in the hopes that the change in climate would relieve this affection.

Mrs. Dunlap had been prominently identified with the W. R. C. for the past 28 years, and was always an untiring and enthusiastic worker. At the last annual convention she was chosen department president for Oregon, and up to the time of her death was making extensive plans for the next yearly convention, which is to be held next June in McMinnville.

Mrs. Dunlap was born at Bensalem Falls, New York, September 27, 1869, and lived at that place for some time. She was married to Mr. Dunlap in February, 1884, in Gouverneur, N. Y. She lived two years in New York, later moving to Connecticut, where she lived until six years ago in March, when they moved to Oregon, where she has since resided. For 25 years she has been in relief corps work, where she has held some prominent places, having been department secretary and twice corps president, secretary in Connecticut, and when she came to Oregon she joined Sedgwick corps; here she was twice president of the local corps and was department senior vice president, and up to her death held the office of department president of the state of Oregon.

Besides her husband she leaves a brother, Charles L. McAllister, of Shaw; Mrs. S. H. Sweet, of Rockwell, Conn.; Mrs. William Mantle, of Harrisville, New York, the two latter being sisters.

The funeral services will be conducted from the First Methodist Episcopal church, of which Mrs. Dunlap was a member, Thursday afternoon at 1 o'clock, under the auspices of the W. R. C. Interment will take place in City view cemetery.

There will be a large number of out-of-town friends and members of the W. R. C. present at the funeral. Among those already here are Mrs. Jennie C. Pritchard, department secretary of the W. R. C. of Portland; Mr. and Mrs. G. L. Metcalfe and Mr. and Mrs. John Darby, and Mrs. E. D. Wells, all of Shaw.

George Shaw has bought out the half interest of his partner Walter King in the Gas Kitchen restaurant opposite the Electric depot on State street.

A series of checker games is about to be arranged in the city, between L. Greenbaum and J. L. Pertz. Each of the players have championship material in them, and just to decide the matter for the present, this tournament has been arranged. It will consist of 15 or 20 games and will be played at the Y. M. C. A.

The Salvation Army will hold several Easter services this week. At the Salvation Army hall, on Friday evening services entitled, "Two Hours at the Cross" will be held. On Saturday night before Easter, there will be a special entertainment at the hall. Sunday morning at six o'clock a sunrise meeting will be held and on Sunday evening there will be a "Resurrection Jubilee."

Considerable interest has been shown by the pupils of the Salem schools in the flower and garden contest to be held under the auspices of the commercial club. As many as the pupils are anxious to enter but are not sure of the conditions, the date of entry has been extended from April 1 to April 15. Unless ten entries are entered for each of the prizes, the contest will be declared off. New York, March 30.—An extra session of the Japanese diet will open about May 20, according to a statement issued here today by the East and West News Bureau.

TEAM HOSE WAGON CRASHES INTO POST AND LUMBER OFFICE

Truck Is Damaged But Driver and Horses Escape Without a Scratch

Responding to an alarm turned in from the Owl rooming house, at the corner of Commercial and Ferry streets, about 9:15 this morning, the entire department turned out and the combination hose truck and auto pumper arrived at the scene on record time. The alarm, however, turned out to be a false one.

Following the auto pumper on the call to the fire, the first team with the hose wagon was unable to make the turn at the corner of Commercial and Commercial streets and ran into the doorway of the Salem-Falls City Lumber company's office. The tongue of the hose wagon hit the mail box on the corner and threw it across the street, tearing the iron cluster light post up by the roots and then splintered itself in the corner of the building. The front trucks were driven back under the wagon and it will require a general overhauling before the wagon will go to any more fires.

The team was in charge of Driver Pete Phillips, who said that at the rate of speed he was going the horses were unable to make the turn on the slippery pavements. Neither horse was hurt beyond a few minor scratches.

Potash and Perlmutter Pleases Large Audience

The play, "Potash and Perlmutter," which was given at the Grand opera house last night, exceeded the expectations of even the most expectant theatergoer. Every line had a laugh to it and the petty peccadilloes of the partners was a source of genuine amusement. The play had its threat of romance running through it and the pensioners partners showed that each possessed a human side despite their keen struggle for business.

Each part was well sustained and no weak spot showed up in the entire production. A good-sized crowd witnessed the play.

People who come to high words are apt to indulge in some low ones.
