## ATLAS

All who pay three months subscription, old or new, back subscription or in advance, in case their paper is delivered by carrier, will receive one of these atlases frec. All mail subscribers, old or new, who pay a year's subscription ( $\$ 3.00$ ), either back subscription or in advance, will also be entitled to receive an atlas without extra charge.

This is the most liberal offer the Capital Journal has ever made.
The Capital Journal has just received a new shipment of the "World at War" atlases. They are of a later and revised edition and consist of 24 large, highly-illustrated pages, printed on heavy enameled book
The atlas contains splendid colored maps of all the warring countries, with routes of travel and railroad lines; many tables of army and navy and general statis-tics-in fact, the work is a complete ready-reference library for students of the great war. It is a book which would ordinarily sell for $\$ 1.00$ or $\$ 1.50$, but we are having them made up in large lots and buy them at a price which allows us to give them away to subscribers on very easy conditions.
