

# The world has known what Cottolene is for over a quarter of a century

Cottolene established a class of its own over a generation ago. Cottolene was in the front rank of the great movement for bettering household service and for improving food products. Its manufacture and its constituents are as well known as the simplest things done in every kitchen.

## Cottolene

The cottonseed oil in Cottolene is pressed from selected seed—it is a grade so choice that it is not listed on the market. It is purer, sweeter and better in food value than most salad oils. The beef stearine is the product of the finest leaf beef suet known.

It is the exact combination of these two fats which gave Cottolene its high place over a quarter of a century ago, and which has held this place for it.

Cottolene is economical, but better than that it actually improves the quality and flavor of all foods cooked with it.

THE beautiful opera, "Madam Butterfly," will be drawn upon for the final program to be given by the Woman's club tomorrow afternoon at promptly 3 o'clock at the First Christian church. The program is to be in charge of Miss Minnetta Magers, who will present her pupils exclusively in the vocal numbers. Mrs. Anns Rogers Fish, the brilliant dramatic reader, will elucidate the music with a descriptive reading of the opera, and Mrs. W. Carlton Smith is to be leading soloist. The music of this opera is particularly delightful, as everyone knows, and local folk are eagerly awaiting the date of its presentation. A general invitation is to be extended all Salem women, and it is expected that the church auditorium will be filled with lovers of good music.

The members of the Christian Woman's Board of Missions of the First Christian church is in session this afternoon at that church with an especially interesting program, being given under the leadership of Mrs. E. Horton. Mrs. Nelson Scritchlow is hostess. The regular monthly meeting of the Loyal Woman's class of this church will meet next Thursday afternoon at the home of Mrs. W. A. Fenny, 1745 South Commercial street.

Dr. and Mrs. Delbert C. Burton have taken up their residence for the summer in Kingwood park, removing from their attractive home, 740 D street.

The lovely opera, "Norma," will be read in its entirety tomorrow night at the First Christian church by Dr. Clement B. Shaw, of Portland, assisted by Madeline Goodenough, of the same place, who will play piano selections to illustrate the readings. Victrola music will also be given. A most cordial invitation has been extended the public by the dramatic class of the high school, under whose supervision the musicians are brought to Salem. The book of the opera is by Felice Romani, the score by Bellini. "Norma" is an

opera of the old school, and seldom performed nowadays, although it contains some of the most beautiful writings of this well known composer. Its most attractive parts are probably of the old-fashioned kind, which are not to be found in the modern operas.

Mr. and Mrs. Joseph Peery, who are removing to Stayton, where the former is to assume the management of the Hammond-Bishop company, were honor guests at an informal evening gathering at the home of Mr. and Mrs. J. C. Campbell, Wednesday evening, guests being those who had associated more intimately with the Peerys during their three years' residence in Salem. They were: Mr. and Mrs. T. H. Galloway, Mr. and Mrs. Phil Hawley, Mr. and Mrs. R. Neal, Mr. and Mrs. C. E. Kinsland, Cleeta Peery, Pauline Knave and James Leonard Campbell.

Mrs. R. A. Pruitt entertained her informal needlework club, the Impromptu, yesterday afternoon.

Mr. and Mrs. T. M. Barr, who have been on a pleasure trip through California, are expected home shortly.

Mr. and Mrs. H. M. Willett, of Lyons, Mich., are the guest of their son, L. N. Willett, expecting to spend the summer on the Pacific coast. They will visit the exposition on their way home.

The Yew Park school will meet in the school building this evening at half past seven o'clock. A pleasing program will be arranged and the subject of "What is Best in Literature for the Children" discussed.

High school students will hold a declamatory contest this evening, May 7, in the school building. All to appear are members of the public speaking department under the tutelage of Miss Ida B. Davis. Among the numbers on the program will be the following: "Dear' yo' Cry, Ma Honey"....Smith Boys' Glee Club.

Directed by Minnetta Magers. "A Plea for Cuba"....John M. Thurston Max Alford. "The New South"....Henry M. Grady Frank Rosebrough. "The American Flag"....Beecher Victor Taylor. "Patsy"....Kate D. Wiggins Nellie Marthaler. "Sister Esperance"....Guy W. Carryl Lillian McBride. "A Soldier of the Empire"....Thomas N. Page Edward Rauch. "The Death Disk"....Mark Twain Ruth Rosebrough. "Saunders McGlashan's Courtship"....Anonymous Vivian Ekelich. "Afloat at Dusk"....Arr. by Elliott Girls' Chorus. Directed by Minnetta Magers. Presentation of prizes—Superintendent G. M. Elliott.

Mrs. Abigail Scott Daniway, of Portland, has received a special invitation, which she has accepted, to be the guest of the Oregon commission at the Panama-Pacific International exposition at the Oregon building during the convention of the National Woman Voters in San Francisco, from July 1 to 15, inclusive.

The invitation was sent by George M. Highland, managing secretary of the commission, at the instance of O. M. Clark, its president. Mrs. Daniway is further advised that she will be met on her arrival and taken to the Oregon building. She will be prepared to register every voter from suffrage states who visits the Oregon building during her stay.

It is definitely asserted, if not officially announced, that Mue. Gluck, in private life Mrs. Erme Zimbalist, will be out of the field next season

MUSKRAT LIKED WINE.  
Manitowoc, Wis., May 7.—The proprietor of a north side third emporium had been annoyed by a thief who entered the cellar without disturbing any of the visible means of ingress and removed the corks from the choicest wines and brandies, leaving the partly emptied bottles when he departed.  
The mystery was explained when he saw a muskrat with a jag making its untidy way from the cellar to the saloon. For several days the saloon keeper entertained his patrons by posting them where they can watch the hibulous rodent enter a hole in the wall, gnaw the corks from a few bottles and acquire a load. Then one day he saw the muskrat approaching the saloon in company with six others. The saloon-keeper drew the line at the muskrat giving a souse party to his friends "on the house." He broke up the revel with a gun.

entirely. Mue. Gluck wishes to live at least for the year entirely for herself and for her family, and for this reason she will not sing. Zimbalist already has announced that he will not play in this country next season, so these artists will plan to return to the public together during the season of 1916-17.

### Walter Gleiser Elected President of Y. M. C. A.

Walter Gleiser was elected president of the Y. M. C. A. at Willamette university at a called meeting of the members Thursday morning. The vacancy was caused by the resignation of Joseph Gerhart who was elected at the regular election but circumstances are such that he will be unable to come back next year. Willis M. Bartlett was elected to fill the vacancy caused by the resignation of Earl Fiegel who held the position of vice president. Errol Prector was elected secretary.

### HOW I MADE MY HAIR GROW LONG AND BEAUTIFUL

I was greatly troubled with dandruff and falling hair. I tried many advertised hair preparations and various prescriptions, but they all signally failed; many of them made my hair greasy so it was impossible to comb it or do it up properly. I think that many of the things I tried were positively injurious and from my own experience I cannot too strongly caution you against using preparations containing wood alcohol and other poisonous substances. I believe they injure the roots of the hair. After my long list of failures, I finally found a simple prescription which I can unhesitatingly state is beyond doubt the most wonderful thing for the hair I have ever seen. Many of my friends have also used it and obtained wonderful effects therefrom. It not only is a powerful stimulant to the growth of the hair and for restoring gray hair to its natural color, but it is equally good for removing dandruff, giving the hair life and brilliancy, etc., and for the purpose of keeping the scalp in first-class condition. It also makes the hair easier to comb and arrange in nice form. I have a friend who used it two months and during that time it has not only stopped the falling of his hair but it practically increased its growth, but it practically restored all of his hair to its natural color. You can obtain the ingredients for making this wonderful preparation from almost any druggist. The prescription is as follows:  
Ray Balm, 6 oz.; Menthol Crystals, 1/2 drachm; Lavender Compound, 2 oz. If you like it perfumed, add 1 drachm of your favorite perfume. This, however, is not necessary. Apply night and morning; rub thoroughly into the scalp.  
A corkerew is sometimes used in opening an argument.

### One Hundred Will Compete in Contests

San Francisco, May 7.—Pacific coast championships on track and field will be decided tomorrow at the Panama-Pacific exposition stadium, with more than 100 athletes in competition. Most of the entrants dug their spikes into the runners today just to try the "feel" of the new path. It is in good shape, but a raw wind blew across the stadium from the golden gate. Unless the sun shines, the present records seem likely to stand through the meet. Idaho has sent a couple of good men to the meet—Sam Morrison, sprinter and Buck Phillips, javelin thrower. Robertson of St. Mary's and Murray of Stanford in the high hurdles and Reynolds of the Oregon Aggies in the half mile, expect to crowd Kelly and Bonnett in these events. Good competition is assured in every race. The best men will have to extend themselves to win.
