IN THE COUNTY COURT OF THE STATE OF OREGON FOR THE COUNTY OF MARION.

In the Matter of the Petition of M. O. Davis for a Gateway.

To J. R. Martin, Albany, Oregon: Please take notice that M. O. Davis has filed a petition in the County Court for Marion County, Oregon, asking said court for a gateway leading from his farm and residence to the public road at Butteville, Marion County, Oregon, and that said proposed gateway crosses your real premises. You are further notified that the County Court of Marion County, Oregon, on this 15th day of March, 1915, duly appointed Oscar Cutler, of Salem, Oregon, James B. Kinyon and Josie Ryan, of Butteville, Marion County, Oregon, as a Board of County Viewers for the purpose of viewing out and locating a gateway not less than ten feet and not more than 30 feet in width and connecting the real premises of said M. O. Davis with the public road at Butteville, Marion County, Oregon, and that the said Board of County Viewers shall meet at said time and place for the purpose of viewing out and locating said gateway and for the further purpose of assessing damages that you may sustain thereby; and you are further notified that this notice is served upon you by publication thereof in the Capital Journal, a newspaper published in Salem, Marion County, Oregon, and that the publication of this notice will be had for four weeks prior to the said 21st day of May, 1915, and you will please take notice of the matters enumerated herein. Dated this 15th day of May, 1915. WM. RUSHLEY, County Judge.

W. H. GOULET, J. T. BECKWITH, County Commissioners.

IF T. R. WERE IN THE WHITE HOUSE (Medford Sun.) There seems to be a pretty general sentiment of relief throughout the country that Colonel Roosevelt is not in the White House. No one wants war, and the popular assumption is that Teddy would have had us embroiled with both Germany and Mexico if he had been at the wheel. We strongly question the accuracy of this hypothesis. If Mr. Roosevelt had been as ably assisted as he was before, his firm and decisive policy would in all probability have brought peace in Mexico ere now, and it is probable that this country would be no nearer trouble than it is at present with Europe. It should not be forgotten that Colonel Roosevelt as a private citizen says and does a number of things that as president of the United States he would neither say nor do.

To have Theodore take up the reins of government now would, we must agree, be disastrous. The effect upon the suddenly changing the treatment of the allopathic school. Theopathic to the allopathic school. The patient would be lucky to survive.
