It was reported to the police last night that the house of August Kehrberger, at 1610 State street, had been entered by burglars at about 10:45 p. m. The burglars smashed a basement window and made their way into the house. Mrs. Kehrberger heard the crash and when she went to investigate saw the burglars. She started back to her room to secure a revolver and upon a chair in the darkness. The burglars heard the noise of some one about and beat a hasty retreat. They secured nothing from the premises. They were described as one tall slender one and the other of about medium height. It is believed that they were local men.

Card of Thanks. I desire in this way to thank my friends and many loyal supporters in the Meyers contest for the trip to the Panama exposition.

AGNES BAYNE. C. W. Butler, a life insurance agent of Independence, left his Ford auto at the intersection of Fourteenth and Marion streets last night while he and his party attended the circus. An hour after he left the auto four boys, three of which were about 12 or 14 years of age, and one about 16, entered the car and drove off. When the loss was reported to the police the car was located in a yard near Seventeenth and State streets, where the culprits had smashed it against a telephone pole. The front wheel had been broken off and twisted. It was evident that the boys had turned into the yard with the intention of abandoning the car when they were unable to make the turn on account of the high speed. Mrs. Betty, who lives on Mason street, saw the boys take the car, and noted at the time that they appeared to be nervous. Mr. Butler called his brother from Independence to take his party back home and ordered the car to a garage. The damages will be about \$50.

## RESPECTED MARION COUNTY RESIDENT IS KILLED AT BROOKS

Mrs. Barbara L. Evens, Member of Pioneer Family, Struck by S. P. Flyer

While on her way to visit her daughter, Mrs. J. W. Fruit, of Brooks, at 5:24 yesterday afternoon, Mrs. Barbara Letitia Evens, wife of William Gordos Evans, of this city, was struck by the Southern Pacific Shasta limited, train No. 11, southbound, at Brooks and killed. Deceased was 62 years of age and was a native of Marion county. Undertaker Webb, who is acting as coroner in the absence from the city of Coroner Clough, has made an investigation and states that, unless the relatives demand an inquest he does not deem it necessary to hold one.

Mrs. Evans had just alighted from the northbound train from this city, at Brooks, and started south along the railroad toward her daughter's residence. According to Engineer V. G. Dempsey and Fireman L. G. Helback, of the limited engine, which struck her, they first saw her about 400 feet ahead walking between the main track and the sidetrack. When the train was within 50 to 75 feet of her, the bell ringing all of the time, Engineer Dempsey said she stepped out upon the main line in front of the train and was struck before he had time to signal further warning or stop the train.

The Shasta limited meets the northbound local at Brooks and does not stop but Engineer Dempsey stated that he signalled the train on the sidetrack and also whistled for the crossing. Guy Shaw, an eyewitness to the accident, corroborated Engineer Dempsey's statement in the main and said that he saw Mrs. Evans step out upon the track ahead of the train and that he halloed and signalled to her violently but that she seemed to be too preoccupied with her thoughts to pay any attention; at least she did not heed his warning. A daughter of Rev. Stover, of Brooks, is also said to have been an eyewitness to the affair.

Mrs. Evans was a daughter of the late John Savage, one of the earliest pioneers of the state and a sister of George O. Savage, a merchant of Newport, formerly of this city. Aside from the husband, who is prostrated with grief, she is survived by four children, Mrs. J. W. Fruit, of Brooks, Dr. J. C. Evans, assistant physician at the insane asylum; C. H. Evans, of Salem, formerly state game warden, and L. Frank Evans, of Farmer, Idaho. The latter has been notified of the death by wire and as soon as he arrives the remains will be laid to rest. The remains are now lying at Rigdon & Richardson's undertaking parlors and funeral announcement will be made later.

## Court House News

Mrs. Blanche Morgan, the wife of the late B. W. Morgan, who was killed by a Southern Pacific train April 6, 1915, yesterday filed a suit against the railroad company asking \$7500 damages for the loss of her husband's support. She claims that her husband was driving along the Silverton road about 9 o'clock in the morning when the train struck him without warning. She alleges that the fireman was on the right side of the car and that had he been on the regular fireman's side he would have seen her husband and could have given warning. She further alleges that the engineer failed to blow the whistle and that the bell was not rung. The plaintiff states that she is left with six children, ranging in age from five months to 14 years, and that her husband's support would be worth \$7500 to her during the length of a reasonable lifetime.

John Moser has brought suit in the circuit court of this county against R. H. Robinson and William Esch as sheriff. S. H. Camp & Co. has brought suit against Mrs. S. C. Wall in the circuit court of this county to collect the sums of \$93.25 and \$73.87 alleged due for goods sold and delivered to the plaintiff. Attorneys Smith & Shields are representing the plaintiffs.
